LOCAL WEATHER

Pet of the week

Hi, my name is Oscar. I am a male Brittany/heeler-mix available for adoption at the Humane Society of Eastern Oregon Pet Rescue in Hermiston.

I was surrendered by my owner, who could not keep me, and I need a new home. I am neutered, and I've had my shots. I have been house-trained, and I am good with children, cats and other dogs. I am 5 to 6 years old and can be adopted for \$125. I come with a free veterinary check and a three-day return policy.

If you are interested in welcoming Oscar into your home, please stop by the humane society at 1844 N.W. Geer Road, Hermiston, or call 541-564-6222.

District maintains excellent credit rating for bond debt refinancing

Hermiston School District announced Friday that Standard and Poor's Corporation reaffirmed the district's outstanding AAcredit rating, last received in 2010. The strong credit rating, coupled with the refinancing of some of the district's long-term bond debt, is projected to save Hermiston taxpayers more than \$1 million in interest over the life of the bonds.

"We are absolutely thrilled with this reaffirmed rating," Wade Smith, deputy superintendent, said. "Many districts and municipalities who have recently gone through this process have seen their credit rating fall as a result of the recession.'

comprehensive The credit rating process required Smith and Business Manager Katie Saul to prepare detailed documentation and supporting materials to advocate the district's strong financial standing to the San Francisco-based rating firm. In its rating report, S & P highlighted the following strengths of Hermiston School District:

• Stable student enrollment, with steady growth expected;

· Maintenance of reserves, with the available fund balance at 8.3 percent of operating expenditures;

 Good financial policies and practices, including a policy of maintaining a general fund balance of at least 8 percent of revenue.

Taking advantage of historically low interest rates, the district plans to refinance approximately \$18 million in outstanding debt. The savings will provide relief to taxpayers in future years, as the debt refinanced will yield financial benefits beginning in fiscal year 2020.

OMSI's 'Magic Planet' available at Umatilla library

A colorful, 3-foot globe with bright, spinning displays and video films about Earth projected onto its surface is now on loan to the Umatilla Public Library from the Oregon Museum of Science and Industry through May 11.

The "Magic Planet" sphere is one component of a three-piece NASA-designed exhibit called "Earth From Space."

The "Magic Planet" sits on top of a projector and is connected to a laptop programmed by NASA to show dozens of moving images and programs as Earth lights up and spins.

Library patrons of all ages can use push-buttons to have the "Magic Planet" show any of dozens of brilliantly colored displays, such as Earth's city lights, climate change, tsunamis, wind streams, ocean currents, geographic and topographic features and much more, including seven-minute videos about Earth that are projected onto the globe's surface.

The Magic Planet" is brought to public libraries in the region through a NASA grant provided to OMSI in partnership with Libraries of Eastern Oregon.

For more information, contact the Umatilla Public Library, 541-922-5704.

To learn more about OMSI and its NASA exhibits, visit www.omsi.edu
