Place a number in the empty boxes in such a way that each row across, each column down and each small 9-box square contains all of the numbers from one to nine.

**DIFFICULTY THIS WEEK** ★

**SALOME'S STARS HOROSCOPE**

**ARIES (March 21 to April 19)** This could be the time to try soothing whatever bad feelings might be lingering 'twixt and among colleagues, friends or family members. But be sure you do so without favoring any side.

**TAURUS (April 20 to May 20)** An idea is only an idea until you put that clever Bovine mind to work to develop it from concept to substance. This could lead to something rewarding, both emotionally and monetarily.

**GEMINI (May 21 to June 20)** The early part of the week could have some disconcerting moments, but approaching them with a calm, unruffled attitude goes a long way toward helping to get things nicely settled down.

**CANCER (June 21 to July 22)** Getting used to change continues to mark much of the week. But accepting what you have to do makes adapting that much easier. A welcome visitor could turn up sooner than expected.

**LEO (July 23 to August 22)** Learning how to live with a decision is a challenge, but one you Leos and Leonas could really enjoy. You'll also be pleased to see your social life take that upsurge you've been hoping for.

**VIRGO (August 23 to September 22)** Use your perceptive Virgo instinct to help you see the positive aspects of what, at first, appears to be a disappointment. You could find that it proves to be quite the contrary.

**LIBRA (September 23 to October 22)** Your

ability to maintain a balance between sense and sentiment once again helps you sort through apparently conflicting choices and ultimately arrive at the right decision.

**SCORPIO (October 23 to November 21)** Before you seek the advice of colleagues about a potential career move, you might be better off getting counsel from someone who won't be affected by the choices you make.

**SAGITTARIUS (November 22 to December 21)** It can be a challenging week for some relationships if the normal give-and-take flow changes with one side doing most of the giving and the other the taking.

**CAPRICORN (December 22 to January 19)** A new opportunity could bring with it much anticipation along with some anxiety. Take time to sort out your options as well as your emotional considerations.

**AQUARIUS (January 20 to February 18)** Are you sure you have all the facts you need to let that matter move to another level? Don't be rushed into a decision unless and until you feel it's the right thing to do.

**PISCES (February 19 to March 20)** Pace yourself as you prepare to take on that more demanding project. Be careful not to let your energy reserves drain away. Take time to relax with people close to you.

**BORN THIS WEEK:** You have the ability to see both sides of a situation. You would do well as a counselor or a judge.

**FLASHBACK** BY MICK HARPER

1. Name the male artist who had a 1964 hit with "Right or Wrong?"
2. The Strawberry Alarm Clock was the result of the merging of which two bands?
3. Who was the first to release "Let's Hang On"?
4. Name the group that released "Listen to What the Man Said."
5. Name the song that contains this lyric: "Well those drifters days are past me now, I've got so much more to think about, Deadlines and commitments, What to leave in, what to leave out."

- ANSWERS
1. RONNIE DOVE. THE SONG LAUNCHED HIS CAREER, AND MOST OF HIS EARLY RELEASES REACHED THE TOP 20 CHARTS. DOVE STILL PERFORMS ON THE EAST COAST, AND IS STILL IN TOP FORM.
  2. THE SIXPENCE AND WATERFORD TRAFANE. "INCENSE AND PEPPERMINTS" (1967) WAS THEIR ONLY #1 HIT.
  3. THE FOUR SEASONS IN 1965, FOLLOWED QUICKLY BY JAN AND DEAN IN 1966.
  4. WINGS. IN 1975.
  5. "AGAINST THE WIND." BY BOB SEGER IN 1980. SEGER SAID THAT THE IDEA CAME FROM HIS DAYS AS A CROSS-COUNTRY RUNNER. ONE LINE BOTHERED HIM FOR A LONG TIME -- "WISH I DIDN'T KNOW NOW WHAT I DIDN'T KNOW THEN" -- BUT HE LEFT IT IN BECAUSE OTHERS LIKED IT.
