EO-8068 / HH-5521 ADVERTISEMENT FOR BID

Date: February 12, 2016
Re: Eastern Oregon Trade and Event Center Project Bid Issuance #7 - Site Lighting and Electrical

The Eastern Oregon Trade and Event Center ("EOTEC" or "Owner") is accepting contractor bid proposals from all interested bidders for the design and construction of the site lighting and electrical as part of the Eastern Oregon Trade and Event Center Project located in Hermiston, Oregon. This Project is being executed with a design-build delivery method.

EOTEC is a special district created by the Oregon State Legislature for the purpose of acquiring land and relocating the existing Farm-City Pro Rodeo, Umatilla County Fairgrounds and Umatilla County 4-H from their current location in the City of Hermiston. Frew Development Group, LLC ("FDG") is the Project Manager for the Owner. The successful bidder will be contracted through EOTEC.

Bid proposals will be opened, reviewed, and evaluated privately by FDG and reported to the Owner who will select the successful bidder. EOTEC reserves its right to waive any non-material irregularities that it believes to be in the best interest of the Project. The selection and award for the Paving project will be based on "Best Value" for the Owner as determined by EOTEC. EOTEC will award this bid via a "design-bid-build" delivery method.

Bids shall be submitted in accordance with this Request for Bid Proposal. Submitted bids are to be clearly labeled with "Eastern Oregon Trade and Event Center - Bid Issuance #7 - Site Lighting and Electrical."

Pre-qualification prior to submission of a Bid response is not required.

A non-mandatory pre-bid meeting will be held on Tuesday, February 16, 2016 at 8:00am PST. The pre-bid meeting location will be the EOTEC site located at 1705 E Airport Road, Hermiston OR, 97838. Although it is strongly encouraged for interested bidders to attend the pre-bid, it is not required in order for a bidder's proposal to be considered.

FDG will answer questions from bidders only if they are submitted, via email, to Rob Dreier at rdreier@frewdev.com. Questions must be received by Friday, February 19, 2016 at 5:00pm PST. Addenda will be issued in response to all questions by Tuesday, February 23, 2016.

As part of the evaluation of the price component of the bids, EOTEC shall add a percentage increase to the Bid of a non-resident bidder equal to the percentage, if any, of the preference given to the bidder in the state in which the bidder resides. Bidder shall indicate residency status on the qualification form.

The successful bidder must comply with the Oregon Public Contracting Code (ORS 279A, 279B and 279C), as amended from time to time, in the performance of the work.

The project is subject to the state prevailing wage rates under ORS 279C.800 to 279C.870. The wage rates will be found at http://egov.oregon.gov/BOLI/WHD/PWR/pwr_state.shtml and in the January 1, 2016 Prevailing Wage Rate Book.

No bid shall be received or considered unless the bidder is licensed by the Oregon State Construction Contractors Board, or by the State Landscape Contractors Board, as applicable, and as required by ORS 671.530.

Bidding Documents will be available for examination at the following location:

Hermiston Plan Center
1565 N. 1st Street, Suite 8A
Hermiston, OR 97838
541/564-0420

Hard copy of bid documents can be ordered from Hermiston Plan Center for a fee. Electronic plans and specifications are available at no cost. No bid security is required. Addenda, as applicable, will be distributed only through the Hermiston Plan Center. It is the bidders' responsibility to check to make sure all addenda are received and acknowledged on the bid form.

Bidding Documents will be available on or about Monday February 14, 2016.
