HANGING BACKDROPS

If you're looking for a stunning yet practical backdrop for reception photos, consider hanging a backdrop made of a combination of paper cutouts and other special touches that complement the color of your wedding.

You'll enjoy seeing guests flock to capture their own memories of your wedding in front of your spectacularly designed backdrop.

CHECK OUT BRIDAL FAIRS

The greatest benefits of attending a spring bridal fair involves being able to ask professionals what they can offer in the way of your unique wedding wishes.

If you have an idea for a hanging decoration that you haven't seen at weddings in the past, you can find out the possibilities of pulling it off by asking a designer or planner at a bridal fair.

They also may come up with additional ideas that you hadn't considered. This kind of collaboration is key in exploring all options for your perfect hanging decor.
