

IRRIGON TRACK & FIELD

COACH: Ken Thompson, 1st year
2015 SEASON: The Knights won the boys team title at the district meet and the girls placed sixth.
POSTSEASON STORY: Nine Knights (eight boys, one girl) qualified for the state meet in 10 total events. Their top finish was by A.J. Timpy with third in pole vault. Irrigon's boys placed 11th in team points.
KEY LOSSES: (Boys) A.J. Timpy (vault, relay), Adrian Romero (throws), Oscar Romero (throws); (Girls) Nancy Mejia (distance)
KEY RETURNERS: (Boys) Carlos Zacharias, jr. (sprints, relay); Isaac Estrada (distance, relay); Kevin Villareal, sr. (middle distance); Justin Iveson, jr. (jumps); Luke Meyers, jr. (throws); Jose Romero, jr. (hurdles, relay); (Girls) Alexis Williams, jr. (distance); Jocelin Sanchez, soph. (distance)

really well.”
 Anything the Knights accomplish in 2016 should be seen as a success — the school doesn't have much of a track facility to speak of and twice a week buses athletes to Boardman for about an hour of work.
 “We do have a track but it's sand and it's not even 400 meters,” Thompson said.
 The athletes also depend on each other and themselves to make sure they're staying on track, since Thompson only has time to float between events during practice.
 “I've just really been impressed with the work ethic of the kids, the number of kids we have showing up every day,” he said. “I'm kind of a one man show and with 40 kids I kind of give them direction and they go. The kids have a lot of camaraderie. We don't have the best facilities but we have a lot of determination.”

Expectations are high for Coach Thompson's first season and for good reason.

“I think anytime you have a district championship team that hasn't graduated that much talent you're going to have that,” Thompson said. “We'll be alright. We have roughly 26-27 boys out right now and we'll be able to cover just about all the events.”

“They were going in the right direction last year and I just hope to continue that.”

Thompson is also excited to see what the girls team can do with about 14 total athletes out so far.

“We don't have many throwers but we've got some runners and jumpers,” he said. “We might not compete for a district title but I think we'll have some kids that will perform

in.”
 The girls have 11 out for the team, but return two multi-event standouts in seniors Jessie Flynn and Rachel Holland. They'll do the bulk of the scoring for the Cardinals, Rudolf said.
 “We have a lot of (girls) throwers and we have some new people where we're trying to figure out where we have to put them,” he said. “Rachel and Jessie are going to score in seven or eight events just between them, and fairly high. We don't have a lot of numbers but we have two really good females that are going to do really well.”

IONE TRACK & FIELD

COACH: Ryan Rudolf, 10th year
2015 SEASON: The Cardinal girls were fifth at the district meet and the boys were eighth. Ione advanced three athletes to state in seven total events.
POSTSEASON STORY: Ione was 15th in girls team scoring and 36th in boys at state. Jessie Flynn had their highest placing taking third in the 100-meter dash.

have coming in and the kids we have coming back, on paper we could cover a lot of events. I don't know how well we'll do in some of them. We have some young kids so we'll just kind of see where we can fit them

Interest in track and field is up in Ione, and Coach Rudolf said he's got 26 athletes out for the first few weeks of practice.

“That's a lot to try to manage but that's a good problem to have,” he said. “We have a lot more kids than I've had in four or five years.”

Many of those are newcomers, but Rudolf said there's a lot of potential there and the boys' team is looking like it could compete at the district level if his athletes continue to work hard throughout the season.

“We have several incoming kids and some kids that haven't done track before, so from a boys' point of view we're looking to build off numbers,” he said of the 15 boys out for the team. “If we put it all together then we could contend at districts for a trophy.”

“I think with some of the new kids we

 The girls have 11 out for the team, but return two multi-event standouts in seniors Jessie Flynn and Rachel Holland. They'll do the bulk of the scoring for the Cardinals, Rudolf said.

Graduation was kind to the Grizzlies as nearly every member of last year's team returns to the track.

“I try not to put too much pressure on them but obviously we discussed hopefully repeating a district title and doing well at state,” said Coach Simpson. “We do have a lot of younger athletes and we're hoping

COACH: Sue Herbert Holden, 3rd year

district have had to deal with, but we're doing our best.”

To start the season the Grizzlies will compete in single only, and Eric Jones and Lynne Roberts appear to have a solid handle on the No. 1 positions.

POSTSEASON STORY: The Grizzlies did not advance any player to the state tournament.

KEY RETURNERS: (Boys) Eric Jones, jr.; Allan Holden, jr.; (Girls) Paige Gabriel, jr.; Lynne Roberts, soph.; Mecailla Espe, soph.

The Grizzlies will be fighting an uphill battle against this season in the 4A-1A Special District 4, but Coach Holden is hopeful for better results in 2016.

“The nice thing is that we've got a lot of juniors coming back that are honing their craft,” she said. “We're building on skills that we've built the last couple years, building and maturing.”

“We would really like to send a couple to district this year. That's definitely a goal they've had. We're playing against 4A teams so we're doing our best. It's something all of us (small schools) in this

ECHO GOLF

COACH: Stacy Lowrance, 1st year
2015 SEASON: The Cougars did not send any participants to state.
RETURNERS: Jimmy Dorn, sr.; Jesse Goldie, soph.; Robert Lowrance, soph.; Ty Mulder, soph.; Ian Faulkner, soph.; Brock Moffit, sr.; Kyle Ranger, soph.

Under its third head coach in as many years, the Echo golf program hopes to find consistency. No girls turned out for 2016, but a handful of boys did, some with previous experience. First-year coach Stacy Lowrance is excited about the progress made by the new players and the experienced ones.

“Well, I think we have some pretty good players right now,” Lowrance said. “In the two weeks we've been working with the real new ones, they've been starting to come around. Real pleased with how things are progressing.”

After not sending anyone to state last season, Lowrance is optimistic he could send some in 2016.

“Just have to see how we progress,” he said. “I really think there's a good chance that some of them could go if they keep working at it.”
