**GENERAL SUMMARY**

Reporting to the Chief Financial Officer (CFO), the Controller is responsible for the day to day activities of the accounting team ensuring the accounting function is organized and efficient and able to produce accurate and timely information. In this role the Controller will lead all day-to-day accounting operations to include the production of periodic financial reports, maintenance of an adequate system of accounting records, and a comprehensive set of controls designed to mitigate risk, enhance the accuracy of the company's reported financial results, and ensure that reported results comply with Generally Accepted Accounting Principles.

**PRINCIPAL DUTIES AND RESPONSIBILITIES**

- Oversee the operations of the accounting department, including the design of the structure appropriate for achieving the department's goals and objectives.
- Primarily responsible for all accounting and finance functions, including budget preparation, monitoring and reporting, of the Farm division.
- Assist in the development and maintenance of a documented system of accounting policies and procedures and internal controls designed to enhance accuracy and timeliness of information, mitigate risk and ensure flawless year-end financial statement audits.
- Assist in the preparation and analysis of operational and financial data to support operational decision making and forecasting future operating results and cash flows.
- Oversee all accounts and reporting systems ensuring compliance with GAAP and applicable regulatory and banking requirements.
- Coordinate and direct all audit activity.
- Analyze financial data and prepare financial reports, including written commentary and explanations, in an accurate and timely manner.
- Clearly and concisely communicate monthly financial results including monitoring and summarizing budget vs actual variances.
- Manage organizational cash flow and cash flow forecasting.
- Leverage the strengths of the accounting team, provide clear guidance on individual and team roles and responsibilities and provide coaching and mentoring as needed.
- Provide leadership in strengthening internal communication with staff at all levels throughout the organization.
- Create and promote a positive and supportive work environment.

**QUALIFICATIONS**

- Strong GAAP understanding and experience. Prior public accounting experience preferred.
- Ability to work under pressure, manage multiple priorities and perform work accurately and timely.
- Technology savvy, including experience with ERP systems, Excel and SQL.
- Strong experience with consolidations, including budgeting and financial statement preparation.
- Must have demonstrated ability to lead a team, pay attention to details and desire to be hands-on.
- Must have strong background in farm accounting and manufacturing accounting.

**EDUCATION**

- Bachelor's Degree in accounting required

**EXPERIENCE**

- Five to ten years relevant experience required.
- Must have solid understanding of and experience with farm accounting and enterprise accounting.
- Cost accounting experience preferred.
- Experience with Microsoft Navision (NAV) strongly preferred.
