**Your Donations Change Lives**

**"I was convinced I was unhireable**  
I was on TANF, I needed to get a job, I wanted to be able to take care of my son and myself...by myself.  
The way I was treated by Amy and Lindsay at Goodwill made a huge impact on how I survived my daily job searches. They were absolutely great in how they approached me and my specific set of "issues." They were both tough and encouraging and they took the time during our appointments to really talk to me. That is genuine caring. That is very appreciated!

Sincerely, ....Someone who USED to receive publicassistance, and now supports her family herself!
