# Good Shepherd Health Care System is proud to introduce Allison Khavkin, M.D., OB/GYN

WELCOMING NEW PATIENTS

"I provide women with preventative healthcare services as well as treating both short- and long-term medical conditions. I help ensure a woman's pregnancy is as healthy and safe as possible from beginning to end, as well as in the postpartum period. As a woman evolves throughout her lifespan, I support your contraceptive decisions and assist in the transition from first menses to adulthood, to menopause and beyond. I take a holistic approach to caring for my patients understanding your specific needs - while keeping your quality of life at the forefront of your care."

-Allison Khavkin, M.D.
