#GSGivesBack! We're giving back to
our community and we'd love your help.

#GSGivesBack

MONDAY NOVEMBER 28:

**Partridge in
a Pear Tree**

Today calls for a partridge for your pear tree. Partridges are tough catches, you see. The bird flew the coop, leaving nothing behind but some sweet Bartlett pears, the very best kind. **Please bring non-perishable food items today.**

TUESDAY NOVEMBER 29:

**Turtle
Doves**

There might be turtle doves coming your way; but we want to avoid hands as cold as clay. So instead of searching for turtle doves, we ask that you **bring in some gloves (or mittens) today.**

WEDNESDAY NOVEMBER 30:

**French
Hens**

Hens are chickens if they are French or not! What we need is chicken soup to heat in the pot or gas to go and shop. **Please bring gift cards for food or gas today!**

THURSDAY DECEMBER 1:

**Calling
Birds**

Four calling birds speak highly of you; you're kind and thoughtful, generous too. They sent us a letter, which said, "Children and seniors think more books would be better". **Please bring in books for all ages today.**

FRIDAY DECEMBER 2:

**Golden
Rings**

Although golden rings are nice, we would like to help the kids at iCan Bike. To refurbish a cycle, it takes many things, so please won't you help us give them some wings. **Please bring in items to refurbish bicycles and other biking supplies.**

SATURDAY DECEMBER 3:

**Geese a
Laying**

Six geese a laying were an interesting sight, till one of them squawked and they all took to flight. When they left their nest, it was in the dark of night. So please help us with their terrible plight. **Please bring in household and personal care items today.**

SUNDAY DECEMBER 4:

**Swans a
Swimming**

Remember no speaking or you'll spoil the fun. We're almost there, we're halfway done. Finding swans in December sure gave us a riddle, so we looked for something simple: Little bums can be breezy, but bringing diapers is just so easy. **Please bring in packages of diapers today.**

MONDAY DECEMBER 5:

**Maids a
Milking**

On the eighth day of giving, we are still busy as bees. Eight maids a milking, nowhere did we see...But there at the Hermiston Warming Station we spy a few needs. Snacks, blankets, and hats, for these items they surely would be pleased. **Please bring in non-perishables, portable food, blankets, and other warm items.**

TUESDAY DECEMBER 6:

**Ladies
Dancing**

Nine kiddos dancing, they put on quite a show. Their feet got so tired, so wouldn't you know. **We are requesting some socks or shoes to help comfort their little toes.**

WEDNESDAY DECEMBER 7:

**Lords a
Leaping**

Ten lords a leaping would be an awesome gift, but they got stuck jumping over a big ole snowdrift. But, we do have some pets in need, at the local humane society. **Please bring pet food or supplies today.**

THURSDAY DECEMBER 8:

**Pipers
Piping**

Eleven pipers piping outside would be cold, to leave them on the doorstep would be too bold. We are hoping you could be an angel for two more days, we'd just love to sing your praise. **Please bring clothes and coats for individuals of all ages.**

FRIDAY DECEMBER 9:

**Drummers
Drumming**

The final day of giving has arrived, and on our ending night one dozen drummers would be a splendid sight. But drummers alas, are not what we require, instead we do plead - **Durable Medical Equipment is what we need: crutches, walkers, or a noble steed.**

Bring your donations to Good Shepherd Health Care System and place them under the Christmas Tree in the main lobby of the hospital or the Good Shepherd Medical Group lobby. You can bring any of the requested items on any of the above days, we're just excited to have you give. Thank you for giving back to our community!
