You should be advertising in these tough economic times.

**Transportation Solutions**

“ We are a regional transportation company with drivers and vehicles stationed in six cities. We occasionally run classified help wanted ads in various publications in the northwest when we have driver openings. Sometimes our classified ad draws very few results (depending on the time of year) so we must repeat the ad. This recently occurred with a week long ad we ran in the East Oregonian.

Our classified ad representative, Dayle S. expressed concern about the lack of success in our ad and asked our permission to enhance the ad to garner a better response. She revamped the ad which we were very impressed with. The response to her revamped ad was dramatic and we are SO SO impressed with the unsolicited service Dayle provided.

Out of all the publications we advertise in, this was the first time an ad representative took the time to assist us with a more effective ad. Anytime we need a classified ad in the East Oregonian, we will require that Dayle is the one who places our ad. Of the six cities we advertise in, Dayle with the East Oregonian is the very best classified ad consultant we have ever worked with.”
