**Elks collect socks for veterans**

The Oregon State Elks Association, in conjunction with the Oregon Podiatric Medical Association, is collecting socks to distribute to veterans and their families.

The drive runs through Friday, April 21. The donations will be distributed at the end of April to veterans' clinics, hospitals and homes throughout Oregon.

**Program helps working families with childcare**

Help with paying childcare expenses is available through the Employment Re-

lated Day Care program.

The program assists working families by paying some of their childcare costs. Parents, foster parents or a caretaker who is working may be eligible for help. The program also can help cover childcare expenses for school hours if people are working and going to school.

Families can apply at any Department of Human Services office. Eligibility includes income limits — a family of three with gross income of less than \$3,149 per month could qualify.

DHS childcare payments are made directly to the provider. Eligible families will still pay a portion of their childcare costs. They can choose someone who is a DHS-approved provider or they can list a new provider, including a family member, a friend or their current childcare provider.

For more information on how to apply, or the location of the nearest DHS office, visit [www.211info.org](http://www.211info.org) or dial 2-1-1, a free 24-hour live support line.
