The Hermiston Police Department has recovered seven counterfeit \$100 bills, and expects that at least five others were cashed in the area over April 26 and 27. The bills, first located in several area businesses, are reasonably accurate copies of \$100 bills, according to Hermiston police. The HPD have identified two suspects and are in the process of attaining warrants for their arrest, said Detective Panfilo Rios.

The calender showed five weeks left in the downtown remodel combat zone in the completion of Main Street renovations. Between the wind and rain last week, crews finished laying water lines and smoothing dirt for new sidewalks on the project that runs from Highway 395 east to NE Sixth Street. Merchants continue special efforts to make shopping easy for customers. All downtown business owners have made special arrangements to help ease the discomfort of shopping downtown. "Some people even

enjoy the novelty of watching a little construction and doing a little shopping," said another merchant along the street.

It was just recently — we went to Ixtapa and my team (at work) told them to sing me "happy birthday." They put a sombrero on me... but it wasn't my birthday.

What is your proudest accomplishment?
My four kids.
