

A portrait of Patrick Harrison, DO, an orthopedic surgeon. He is a middle-aged man with dark hair and a goatee, smiling warmly. He is wearing a grey herringbone suit jacket over a white dress shirt and a blue and white patterned tie. The background is a blurred indoor setting, likely a hospital or office.

Introducing Patrick Harrison, DO Orthopedic Surgeon

Advanced Orthopedic and Sports Medicine Institute is excited to announce Patrick Harrison, D.O., as part of the Good Shepherd Medical Group (GSMG) team of orthopedic surgeons. As a general orthopedic surgeon, Dr. Harrison treats a broad range of musculoskeletal conditions including injuries related to accidents, on the job injuries, and sports. He also performs minimally invasive and joint replacement procedures.

“I treat every patient with the same compassion as if they were my own family. That’s one of the benefits and attributes I love about practicing in a small town.”
