# Windstorm knocks out power

HERMISTON HERALD

Most of Hermiston was without power for nearly three hours on Saturday after a windstorm blew a tree into a transmission line.

According to updates posted by Umatilla Electric Cooperative, about 12,600 customers served by eight different substations lost

power before 3:30 p.m.

Juniper Canyon substation was restored at 5:38 p.m., with several other substations following in the next 25 minutes.

The last of the Columbia District was restored at 7:05 p.m.

A real-time map of outages, including estimates of when power will be restored,

can be found online at [www.umatillaelectric.com](http://www.umatillaelectric.com).

Customers can call 1-888-465-5701 to report outages.

Saturday's wind storm also caused damage elsewhere, including Page Avenue in Stanfield, where one large tree fell over and blocked the road and another had a limb come

crashing down on top of a car, breaking its back window.

In downtown Hermiston, cars were having difficulty navigating Main Street and Gladys Avenue after traffic cones and traffic signs surrounding the festival street construction in front of city hall blew over.

# Semi, pickup wreck blocks Highway 395 traffic

HERMISTON HERALD

Traffic on Highway 395 at the south end of Hermiston was backed up on Monday afternoon after a collision between a semi and a pickup blocked both southbound lanes of traffic near the water tower.

James Zimmerman, 68, of Hermiston was northbound on Highway 395 near Southeast View Drive when his 1996 Chevrolet pick-up drifted into the oncoming southbound lane and struck a 2018 Peterbilt semi-truck, according to Hermiston Police Department.

The commercial vehicle was driven by Ronald Grey, 58, of Coeur d'Alene,

## the family of Cecil W Rock "Babe"

would like to thank everyone for the flowers, lovely cards, encouraging conversations, and the generous donations for the Irrigon City Enhancement Fund. We were very honored and humbled to see all the love showered on Babe and our family at his Celebration of Life. We would like to give a special thanks to the Echo City Hall for allowing us to use the building. This was very special to Dee because, the Echo City hall was where Dee and Babe went to a dance 62 years ago on their very first date. We would also like to thank Dennis and Cathy Barnett for the excellent BBQ, nobody went away hungry. We also appreciate the assistance of Ken at Burr's Mortuary. Ken always seems to make everything run so smooth. A special thanks to our special speakers and musicians, Frank and Laurie Nelson, Pastor Gordanier, and Joe Stahl.

Thank you from the bottom of our hearts,  
The Rock, Williams and Robbins Family.

May God bless each and everyone of you and your families.
