SIGNS OF ENCOURAGEMENT

HERMISTON HIGH SCHOOL students are trying to bring a little bit more positivity to the community. Leadership students at the school have posted signs around the school, inside and out, telling students they matter and reminding them to be kind. On Sunday they spread those signs throughout the community, and held up posters on the corner of Highland Avenue and Highway 395 with encouraging messages for passer-by. The signs are part of a larger effort called the We Care Project. [For more on the project, see A1.](#)

CRYPTOQUIP

This is a simple substitution cipher in which each letter used stands for another. If you think that X equals O, it will equal O throughout the puzzle. Solution is accomplished by trial and error.

Clue: V equals E
