**About Public Notices**

Public notices inform citizens about the activities of government bodies — such as budgets and public hearings, upcoming meetings and elections — so that citizens can make their opinions known before an action is taken or a rule or law is made. They also include information about foreclosures, unclaimed and forfeited property, estate claims and probate notices, summons, and calls for bids.

**Raising a Family? We Can Relate!**

From advice for young families to kid-friendly tips, **EO Parent** is filled with helpful features you can use.
