

## OBITUARIES

## Sally Marie Williams

Hermiston

December 12, 1923 — March 10, 2019

Sally Marie (Aulds) Williams of Hermiston, Oregon, was born on December 12, 1923, in Choudrant, Louisiana, to her parents Sammie George Aulds and Vassie Easterling. She came into this world a force. Small of stature, but larger than life in every other way. She left us on March 10 at 95 years young.

As a little girl, Sally was hit by what she claims was "one of the original" Model T Fords and would spend months in the hospital in a full body cast. The experience only made her spirit stronger. She would recover gracefully and eventually marry Edwin "Ed" Ernest Williams on September 12, 1941, in Reno, Nevada.

Sally was fiercely loyal to her family. A dog lover. A gardener and great golfer. She was a fantastic cook who made fried chicken better than anyone on earth. She told bad jokes when someone was trying to take a picture. She snapped peas, rocked babies, played cards, watched sports and had a weakness for her grandchildren. She was beautiful. When she laughed, she roared. She tossed her head back in a way that made you join her. She went on a walk every day and she only drank "coffee."

She was a member of the American Bowling Association and numerous golf clubs. She was also a shark

at the card table and the master of a holiday meal. She was the beating heart of an entire family and generous beyond measure. Some-  
how she always showed up when you needed her. To watch the game, to help with the babies, to laugh, to cook. She knew what to say to make you feel better and filled our hearts with a steady stream of unconditional love.

Sally spent the evening of March 10 at a rowdy family reunion with those who went before her, including: her beloved grandchild, Sally Sonnier; her faithful canine companion of 17 years, Lil' bit; her husband Ed Williams; and her sisters Maggie Owens, Bernice Decker and Annie Muccia. She leaves behind a son, Jerry Williams, Hermiston, Ore.; a daughter, Edwina Schneider, Saint Marie, Mont.; six grandchildren, and more than 11 great-grandchildren who miss her dearly and will do their best to continue the tradition of fierce family love and damn good fried chicken.

A celebration of life service will be held on Monday, April 15, 2019, at 11 a.m. at Burns Mortuary chapel, Hermiston, Oregon.

## Delta Martha Hurley Huber

Vancouver, Wash.

April 11, 1924 — March 14, 2019

Delta Martha Hurley Huber died on March 14, 2019, at the home of her daughter in Vancouver, Washington.

Delta was born on April 11, 1924, in Umagine, Oregon, where her parents met and married. The family moved to La Grande, Oregon, when she was a small child, then to College Place, Washington, so she and her four siblings could attend Walla Walla College.

She attended nursing school there and at Portland Sanatorium until she married Harold Huber in 1947. She completed her Bachelor of Science in nursing at Columbia Basin College after launching four children into the world. Harold and Delta were married for 65 years until Harold's death in 2012.

Harold and Delta lived most of their lives in Hepner, Oregon, where they first built a home on the hill, then later bought a ranch they

called Toothacres (a reference to Harold's paying job as the town dentist). Delta loved nature and the outdoors and taught her family the value of exercise and healthy eating long before it was fashionable.

Delta is survived by her four children, Marianne Brams, David Huber, Gary Huber and Lucy Huber-Dawes, and three grandchildren, as well as her sisters Christina Gerking and Hazel Davis.

Delta will be buried next to Harold in the Hermiston Cemetery. There will be a brief memorial ceremony there at 2 p.m. on Thursday, March 28, with a reception following at the Best Western Hermiston Inn at 2255 Highway 395 South, Hermiston, Oregon.

## Six-year-old boy dies in Stanfield

## By HERMISTON HERALD

A 6-year-old boy died Saturday in Stanfield of natural causes, according to police.

The boy, who was a kindergartener at Stanfield Elementary School, died in his sleep.

Police responded to a call for an unresponsive child around noon

on Saturday, and Umatilla County Fire District paramedics tried lifesaving efforts on him, but they were unsuccessful.

Stanfield Police Chief Bryon Zumwalt said he couldn't say whether the boy had previous health issues, but that's why it was being ruled natural causes.
