3. Participants should prepare one recipe, one batch, etc., of the food product using **at least two** ingredients representative of the Pacific Northwest. Participants should select a food product that can be prepared within the time limit. A card table will be available for each display. A centerpiece may be included if the participant wishes, but is not required.
6. Participants will serve samples of the food to the judge and the public. Paper plates and plastic utensils will be provided by the Fair.
7. **All participants must provide the judge with a "Judges Information Form,"** available from the County Extension Offices and on the State 4-H website.
