2019 CELEBRATE OUR WORLD: GREECE

(Intermediates and Seniors only)

To celebrate the diversity in our world, each year the Oregon 4-H project areas will focus attention on the cultures of a different country or region of the world. This special emphasis allows members to focus on learning about the country/region and the skills and techniques unique to that culture. The exhibit is to be inspired by the country of celebration. The Celebrate our World Explanation Card (998-03) is to be completely and thoughtfully completed and securely attached to the exhibit.

4-H ART

1. Art has two divisions based on whether the entry is entirely original or includes components that have been designed or created by others. In both divisions, the member will be expected to create their work by applying the elements and principles of design.
2. Members may enter up to **four** classes in the Original Art division and up to **four** classes in the Non-original Art division. Members may enter no more than one entry per class number in non-original art, and no more than two entries per class number in original art. Intermediate and Senior members may also enter one exhibit in the Celebrate our World class.
3. **Artwork may not be framed** with the exception of work done with chalks, charcoals, or pastels. If work done with chalks, charcoals or pastels is framed, light weight frames with plastic rather than glass should be used for protection during display. **No glass is allowed.**
4. **Artwork is to be mounted for display, including jewelry.** All jewelry exhibits must be mounted in some way to a board or fabric covered board for display. Matting, spray fixatives and/or over wrap with plastic are acceptable for protection of the artwork. If an item is meant to hang, a hanger that will support the weight of the item must be securely attached. Adhesive plastic hangers are encouraged to protect other artwork. Two adhesive hangers per hanging art piece is suggested. They may be available through county Extension offices.
5. All work done on an item that is wearable clothing or accessory must be exhibited in a Wearable Art category.
6. Exhibits should not contain parts that expose the public or volunteers to injury (i.e. sharp edges or points.)
