The main floor of the library may have been quiet Tuesday evening, but the Lanham Room downstairs was bustling with halloween spirit during the third annual No-Carve Pumpkin Decorating event.

Walmart donated 100 pumpkins to the Hermiston Public Library, and children were invited to come personalize them with stickers, markers, googly eyes and glitter.

## I got screened. Now, I'm talking about it.

Screening can prevent colorectal cancer or catch the #2 cancer killer early when it's highly treatable. Most people get screened because they're encouraged by someone they know and trust. **So if you've been screened, please talk about your experience. And encourage others to get screened too.**
