NOTICE IS HEREBY GIVEN that a public hearing will be held by the City Council at 6:00 p.m. on February 18, 2020 at the City Hall 700 6th St. Umatilla, OR 97882. The City of Umatilla is eligible to apply for a 2020 Community Development Block Grant from Business Oregon. Community Development Block Grant funds come from the U.S. Department of Housing and Urban Development. The grants can be used for public facilities and housing improvements, primarily for persons with low and moderate incomes. Approximately \$12 million will be awarded to Oregon non-metropolitan cities and counties in 2019. The maximum grant that a city or county can receive for a public works project is \$2,500,000. The City of Umatilla is preparing two applications for a 2020 Community Development Block Grant from the Business Oregon for #1. Final Design of water utility extension to the Power City area; and #2. Final Design of sewer utility extension to Power City area. The City would also like to extend water and sewer service to the Brownell neighborhood behind the ODOT weigh station, and will incorporate that into each project if possible; this will depend on the results of an income survey currently underway. It is estimated that the proposed projects will benefit at least 93 persons without the Brownell neighborhood, of whom 66.7% will be Low- or Moderate-income, or 183+ persons with the Brownell neighborhood, of which at least 51.3% will be low- or moderate-income. The purpose of this hearing is for the City Council to obtain citizen views and to respond to questions and comments about: community development and housing needs, especially the needs of low- and moderate-income persons, as well as other needs in the community that might be assisted with a Community Development Block Grant project; and the proposed projects. More information about Oregon Community Development Block Grants, the proposed projects, and records about the City of Umatilla's past use of Community Development Block Grant funds is available for public review at City Hall 700 6th St. Umatilla, OR 97882 during regular office hours. Advance notice is requested. If special accommodations are needed, please notify Nanci Sandoval at (541) 922-3226 so that appropriate assistance can be provided. Permanent involuntary displacement of persons or businesses is not anticipated as a result from either proposed project. If displacement becomes necessary, alternatives will be examined to minimize the displacement and provide required/reasonable benefits to those displaced. Any low- and moderate-income housing that is demolished or converted to another use will be replaced. Written comments are also welcome and must be received by February 14, 2020 at City of Umatilla, PO Box 130/700 6th St. Umatilla, OR 97882. Both oral and written comments will be considered by the City Council in deciding whether to apply. The location of the hearing is accessible to persons with disabilities. Please contact City Recorder Sandoval at (541) 922-3226 if you will need any special accommodations to attend or participate in the meeting.
