Library grant to benefit residents with STEM concepts

The Oregon Trail Library District has been selected as one of 300 libraries to participate in Libraries Transforming Communities: Focus on Small and Rural Libraries. An American Library Association initiative, it helps library workers better serve their small and rural communities.

The competitive award comes with a \$3,000 grant that will help the library incorporate STEM concepts into reading and activities at home.

"We are so proud to be chosen for this amazing opportunity," said Kathy Street, library director. "This grant will allow our library to get to know our residents better and help us build a happier and healthier community for our families."

As part of the grant, OTLD staff will take an online course in how to lead conversations, a skill vital to library work today. Staff will then host a conversation with residents about the STEM kits and activities. This will help provide information possibly for other grants. Building parent knowledge and confidence in STEM areas is a goal of the project.

For more information or if interested in taking part in the conversation, contact Street at 541-481-3365, kstreet@otld.org, or visit www.otld.org.

A.C.E. car show revs up for a day of fun

Event set for May 29 seeks vendors, car registration

By TAMMY MALGESINI
COMMUNITY WRITER

The annual A.C.E. Car Club Auto Show offers a fun event that brings the Echo community together with car show enthusiasts from across the Pacific Northwest. The car show includes more than hot rods, tuners, and classics — all automobiles can participate.

The car show is Saturday, May 29, from noon to 4 p.m. in downtown Echo. For a second year, the Echo Parent Teacher Organization is sponsoring the event, which has grown to an increasing number of entries from its modest beginning nine years ago at the school's football field.

Vendors and crafts will fill the park. Additional vendors are being sought for the event. With registration for the car show starting at 9 a.m., vendors are invited to begin setting up as early as 7:30 a.m. on the day of the event. For more information about becoming a vendor, email elisawade.83@gmail.com.

Food booths, wine tasting, a morning fun run and a Friday evening concert shift the event into high gear. A raffle will feature a flat screen TV, a fishing kayak, a portable basketball hoop, a wheeled ice chest, a fire safe and more.

The Echo PTO is dedicated to providing educational opportunities for Echo School District students. All proceeds from the ACE car show go to support student success.

The kickoff concert features The Wasteland Kings. The La Grande-based group brings their Americana sound with influences from Steve Earle, The Rolling Stones, Townes Van Zandt, Muddy Waters and more.

The concert will be Friday, May 28, at 6 p.m. at Echo Ridge Cellars, 551 Thielsen St., Echo. Entry is by donation.

For more about the car show, search Facebook for Automobile Club of Echo. Also, participants can register on the day of the show (\$20-\$25) or in advance via www.eventbrite.com.
