About 200 volunteers from local churches came together on Saturday, May 1, for the annual spring I Love My City event.

The program, started in 2016, provides days of free service to the community. The latest event included multiple service projects. Volunteers gave free car washes at Smitzy's ACE Hardware, worked on the landscaping along Highway 395 and picked up garbage in the downtown area and along the railroad tracks.

The event, organized by the churches, was open to anyone who wanted to show up Saturday morning and be put to work. The participating churches also held a joint worship service on Sunday, May 2, outdoors in Butte Park and live streamed online.
