OBITUARY

David William Barnes

Redmond

July 1947 — July 2021

David was born July 8, 1947, in Pendleton, Oregon, to James Donald Barnes and Leola Violet Barnes.

After graduating Pendleton High School in 1965, he enlisted in the United States Army, and was honorably discharged in November 1972.

David attended college at Blue Mountain and obtained certificates in auto mechanics, and then in heavy equipment operation and mechanics. He worked in various agricultural mechanic positions, but found his true calling in law enforcement in the 1980s and 1990s. He held positions with Hermiston Police Department, Umatilla Police Department, Weston Police Department, Umatilla County Sheriff's Office and the state of Oregon Department of

Corrections. For two years, in 1987 to early 1989, he operated the Umatilla Marina and RV Park with his new wife.

In 1986, Dave met and married Carla K. Smith (Casper) in Hermiston. In 1988 they moved to the eastern side of the county, and lived in Milton-Freewater, then in 1998 they relocated to Central Oregon in Redmond. Carla continued her career in banking and credit, while Dave worked in and retired from retail management.

David is survived by his mother, Leola Barnes of Pendleton, Oregon, and one brother, James Barnes, also of Pendleton. His father, two brothers and a sister preceded

him in death. He is also survived by his wife, Carla Kay Barnes; two sons, Nicholas William Barnes of Amity,

Oregon, and David (Ron) Barnes of Lebanon, Oregon (and a third son, Richard Barnes, whereabouts unknown); Dave's stepdaughter, Stacy Anne Smith, lives in Bentonville, Arkansas. David was also the proud grandfather to seven grandchildren and many nieces and nephews.

David loved his church family at CPC in Redmond, and was a golfer and avid fisherman. He loved to fish and hike into streams and rivers with his best friend, and life-long buddy, Ron Frost. When Ron passed away in

2003, Dave was never to golf again, but found a wonderful friend, Lewie Swertzferger of Redmond, to share the various lakes, rivers and reservoirs of Oregon.

After a 17-year battle with various cancers, heart issues, strokes and diabetes, our David finally had enough. He was very tired, but at peace. He passed quietly and knowing he was loved by all of us... with his son Nicholas holding his hand, he succumbed to the calling of our Father in Heaven. Praise be to God. Amen.

Dave requested no services be held, and that donations could be made in his honor to the Wounded Warriors Organization of America in lieu of flowers or mementos.

Foster kids dive into summer fun in Hermiston

By TAMMY MALGESINI
COMMUNITY EDITOR

A splashing good time was had during the annual Department of Human Services Foster Swim Party at the Hermiston Family Aquatic Center.

Marvin Hamilton, a recruitment and retention champion for District 9 and 12 (which includes Umatilla and Morrow counties) of the DHS Child Welfare program, said it's one of the favorite activities of foster children and youths, as well as their families. Thanks to continued support from community partners, Hamilton said the event provided an opportunity for resource (foster) families to get out of the house and have a fun evening at the pool. Those in attendance feasted on hamburgers, hot dogs, chips, salad and soda.

Hamilton said Kiwanis Club members from both Hermiston and Pendleton donated, cooked and served food — all with big smiles on their faces. In addition, donations came from several sources, including soda from Swire Coca-Cola, 21 cases of chips from Shear's Foods and community member Mathew Vester of

Two Rivers Correctional Institution's food services purchased 500 hot dog and hamburger buns and provided them for the cause.

What started out as a fun game over the years has evolved into a main event of the annual pool party, a diving contest. Serving as judges, members of the Umatilla County Fair court handed out trophies, which were donated by staff from TRCI, for the best dive, worst dive, funniest dive and more.

"This yearly event has been a cherished event and could not continue if it were not for the caring community partners who donate their time and or resources to these children," Hamilton said.

According to Hamilton, there are currently 250 children locally in care and there are only 135 resource providers. To learn more about how to become a foster care provider, call 1-800-331-0503.

"Our area desperately needs care providers," he said.
