ENTERPRISE — After skipping an event in 2020, Winterfest returns to Enterprise on Saturday, Dec. 11.

Downtown streets will be closed starting at 10 a.m. for the day's activities.

Christie Huston, with the City of Enterprise, said there will be lots of giveaways for both adults

and children and a booth for youth activities. The Santa Barrel train begins at 11 a.m., and St. Nick will be in Santa Land from 2-4:30 p.m.

The Enterprise Fire Department chili feed begins at 4:30 p.m. and they will be serving until 7 p.m. — or until they run out of food.

The lighted parade starts at 5:30 p.m., and burn barrels will be located on most street corners to take off the chill.

Huston also said many businesses will stay open late for extra shopping hours.
