THE POINT OF VIEW.

If things go crooked, don't despair: It's wrong to fret and stew; Bring your philosophy to bear And change the point of view. In course of time all will be right If you will only wait; A dawn succeeds the darkest night-The sun is never late.

The man who worries never gets The best things of this life; He a always dwelling on his debts Or croaking to his wife. If he were only half-way wise

The thing that he would do Would be to wipe his weeping eyes And change the point of view So when thing, so wrong just brace up,

Pot on a cheerful face: If you must golp a bitter cup Do it with monly grace.

Don't draw your mouth so glumly down, Don't look so bleak and blue, But drive away that only frown

And change the point of view -W. H. Hills.

GENERAL NEWS NOTES.

The potato blight has made extensive ravages in Ireland, wet weather con-tinues, causing the blight to spread, and starvation threatens many farmers.

A cloudburst in the Santa Rita footsmouldering flame. Thus, little by little, aged 65 years. He came to Lane county bills, Arizona, last Monday, drowned this ghoul of human society fliches the in 1862 or 1863 from Missouri and has many horses and cattle and devastated the Schofeldt ranch of crops, brehards and houses.

> General John C. Fremont, the first republican candidate for president of the United States, died in New York on the 13th instant. He was 77 years and 6 months of age.

hour and sent out men to revise the work. During 24 hours they reported 8,000 names not down on the supervis or's list.

The Japanese are starving on account the heavy orders now coming in almost tendeney.

30,000 strangers were carried over the Northern Pacific nulroad into Oregon, Montana and Washington; in 1889, 42, 000; and this year it is estimated that the influx of emigrants will aggregate 50,000. The travel over other roads is also very large.
