**LOCAL NEWS**

We understand that another new building will be erected on the J. E. Gentry lot and used as a saloon.

We have the agency for the Edison Phonograph and Records. If you contemplate buying a phonograph, call and get our prices. We can and do sell them as cheap as the large mail order houses, besides saving some freight.

**SCHOOL NOTES**

**SCHOOL DECALOGUE.**

I.—Thou shalt study in no other way than that prescribed by thy teacher.

II.—Thou shalt study thy lessons thoroughly, and not let other things that are foreign to school duties enter thy head, for it is written, "No two things can be in the same place at the same time."

III.—Thou shalt not consider lightly the lessons assigned thee by thy teacher, but shall study them with all diligence.

IV.—Thou shalt not devote thy time wholly between the hours of 9 A. M. and 4 P. M. to study, for thy physical being needeth recreation in the outdoor air during intermissions.

V.—Thou shalt so conduct thyself that thy presence will be a pleasure to both the teacher and thy fellow pupils.

VI.—Thou shalt not kill time for the idler is not wanted in the school.

VII.—Thou shalt not think or say evil of thy teachers if they reprimand thee for not doing things that are for thee to do.

VIII.—Thou shalt not steal thy neighbor's pencil nor steal time from thy teacher by being cautioned to do or not to do certain things.

IX.—Thou shalt not refrain from studying thy lessons during school hours, and thereby by thy actions say to thy teacher that thou hast thy lessons prepared, for thy teacher will surely find thee out.

X.—Thou shalt not come to class without having thy lessons prepared, nor even desire to do so nor let others do so by keeping them from getting their lessons by attracting their attention while they are studying.
