HAILEY ON SUPREME BENCH

Governor Chambers will Appoint

M. B. Smith

of Boise to Vacancy on Supreme Court

A letter from Governor Chambers has arrived in this city, signifying his intention to appoint somewhere to fill the vacancy on the supreme bench of the Idaho courts, which was made by the death of Judge S. W. Mann. The appointment was expected, but came too late to save Mr. Mann from being removed. It is said there is really no vacancy at present to be filled. Mr. Smith is an active malefactor in the county, and is considered a strong Conservative. He is said to be a probable candidate for the Supreme Court seat which will be vacant in January, when the term of Judge Mann expires. He is also said to be considered a strong candidate for the senatorial seat which will be vacant next session.

WELFARE OF STUDEBaker

A large bill was received by the Studebaker company today, amounting to $2222.50, covering wages and salaries of the company's employees during the past two months.

HEALIER, Wash., Nov. 28.—In a report of the United States census bureau for 1910, it is stated that the Studebaker company has the highest percentage of female employees in the United States. The company has been operating in this city for over 50 years, and is one of the largest employers of labor in the state. It is said that the company has made a large investment in the city, and that a large number of people are employed in the company's factories.

RULING OF BOISE CASE

Judge Killam of the Supreme court of this state has ruled in a case of importance that the city of Boise has the right to compel all employees to report to the city hall for pay, and that the city has the right to require all employees to work the specified hours.

MILLION WOMEN RIGHT TO VOT

The Woman's Suffrage movement is making great strides in the state of Idaho, and is expected to be successful in the near future.

The women of the state are working hard to secure the right to vote, and are determined to carry on the movement until it is accomplished. They are working in every county in the state, and are making great progress.
