BLACK HORSE

The weather in Black Horse has been cold and dry for the last few days. The farmers are all busy—sitting in the house.

Mrs. J. C. Brown was taken sudden ill last Monday and has been very low since. Dr. Kistner was called and has hopes of her recovery.

Just as we go to press we learn that Mrs. Brown died Tuesday night.—Ed.

Frank Myers has been on the sick list the past week.

James Brown has been confined to his bed the past ten days.

The prospects for next years' crop in the Black Horse district is very good.

The Black Horse Literary and Debating society was organized December 9th. Perry Klitzmiller was elected president, Miss Grace Stamp, secretary and James Doherty, treasurer. The society now has a membership of thirty-eight with prospects for a large and rapid increase in membership in the near future. The question for debate at the last meeting was: "Resolved, That there is more pleasure in pursuit than possession." The affirmative won. The question for the next meeting night, December 30th, is, "Resolved, That intemperance causes more trouble than war." The society meets every Saturday night at 7:30. Visitors welcome.
