### ESKELSON-PALMER

A very pretty wedding took place, at the home of Mr. and Mrs. Joe Eskelson, Sunday Jan. 28 at 3:30 p.m. Their daughter Nellie was united in marriage to Lawerance Palmer. Promptly at the appointed time, to the strains of the wedding march played by Mrs. Elsie Beach, the bride and groom took their station. The short but appropriate wedding ceremony was very nicely conducted in the presence of the relatives and a very few immediate friends. After the customary congratulations all repaired to the dining room where a bounteous repast was awaiting them. After supper the bride and groom accompanied by the bridal party, attended the Methodist church. The good qualities and history of the contracting parties need not be dwelt upon. They are very well and favorably known, and will be at home to their friends after Feb. 1st. Needless to say the bride and groom were the recipients of many beautiful and valuable presents.

The following guests were present: Mr. and Mrs. Joe Eskelson, and family; Mr. and Mrs. Ed. Palmer and family; Mr. and Mrs. Gar Scott; Misses Ellen Scott, Agnes Hammer, Ruth Benge and Cecil Scott. Mr and Mrs. Eph Eskelson; Mrs. C. A. Benge; Mr. and Mrs. Karl Beach; Mr. and Mrs. R. B. Wilcox; Messrs. Ben Green; Otto Ruhl; Clark Davis; Frank Benge and Lawerance Langford Beach.

### SCHOOL NOTES

The nice weather the last week has brought into evidence the base ball and basket ball. The boys have moved their base ball ground onto Mr. McAlister's lot North of the school house. They have reorganized the athletic club and elected the following officers; Robt. Leach Pres., Frank Christenson Sec., and Alonzo Tyler Tres. The boys are hoping to get the best results possible out of their club and expect their members to leave tobacco and whiskey alone. Now if their friends around town would do the right thing with the boys, instead of trying to make their good resolves hard for them to carry out, they would try and help them. It is easy enough for the most of us to make mistakes and hinder others in trying to do what is right it is little enough of good that any of us do.

The girls are playing basket ball and are thinking of using the warehouse to play in. At present the weather is very favorable for out door play.

This week is examination once more and the end of the fifth month of school. The enrollment has reached the largest mark ever recorded in the school.

Why is a banker's clerk necessarily well informed? Because he is continually taking notes.
