#### DIG IN!

When you want to get ahead,  
Dig in!  
When you're up to work you dread,  
Dig in!  
When Dame Care comes down your way,  
Dig in!  
Days are sad instead of gay,  
When there's nothing seems to pay,  
Dig in!  
When the other fellows lead,  
Dig in!  
When you're short on things you need,  
Dig in!

When the rent is overdue,  
And the landlord says he'll sue—  
When the world is looking blue,  
Dig in!  
Never mind the other man,  
Dig in!  
You can win, you know you can,  
Dig in!  
Better luck will come your way,  
Just make up your mind to stay;  
Every dog will have his day;  
Dig in!

Have you had the mumps yet?

"I will give a straightforward, economical, business administration of the office, in accordance with our laws. All persons will be given a "square deal" and the office will be conducted in the interest of the whole people of our State. I am in favor of a law creating a board, consisting of the Governor, Secretary of State and State Treasurer; said board to name and select Depositories for State funds, the interest on said funds to become the property of the State, and be accounted for by the State Treasurer. I am in favor of a law regulating State and private banks, and the creation of a State Bank Examiner. I am in favor of the Direct Primary law, and a strict compliance with it."
