LOCAL NEWS

We hear nothing but good words for Henry E. Collier, of Pendleton, candidate for Republican nomination for Judge of this district.

T. W. Cutsforth was a Lexington visitor Sunday and Monday. The Wheatfield acknowledges a pleasant call and receipt of a year's subscription.

With the increased acreage and present prospects for a good crop this season, Lexington will be head and shoulders ahead of any surrounding towns this summer and fall.

FOR SALE—Horses, Hack, two Gang plows, walking plow and double Harness. Call on or address.

Leach Bros will have another car of potatoes about Saturday, which will contain Early Rose and Early Ohio Seed Potatoes and the balance of the car are Burbank Potatoes for table use.

L. W. Hill was in from his Sand Hollow ranch Tuesday and says, that all the grain he has examined is in good condition and that the recent storm has been a benefit to the wheat crop.

If you cannot find what you want in the Drug line try Davidson Bros, of Ione, they carry the largest stock of Drugs and Chemicals in Morrow Co. Mail and Telephone orders promptly attended to.

Reports come from all parts of the county that A. K. Fuller, Republican candidate for nomination for Sheriff, is fast gaining friends and supporters. We expect to see Mr. Fuller will in the primaries, which means an election.

A mass meeting has been called for Friday evening next, in the city hall, for the purpose of organizing a commercial club or an organization for the advancement of Lexington and vicinity. Let everyone attend and work for the good of the town.

We have a good second hand Dutchman Plow, 14 inch three bottom run two seasons, will put new shares and landsides on it and sell on fall terms at \$42.50, a snap, or we will sell for less without the third bottom.

When it comes to raising chickens the Wheatfield man is it. Last Monday he purchased one dozen hens from P. M. Christenson and a thorough bred Plymouth Rock cockerel from J. S. Baldwin, and will be able to supply the local market with eggs next fall and winter, that is if the hens lay enough.

T. W. Morgan, Republican candidate for County Clerk, passed through town Monday enroute to Heppner to file his petitions. Mr. Morgan is gaining in popularity throughout the county as a result of his personal canvas. We expect to see his name head the list after the primaries of April 20th.

We were informed a short time ago that a deed had never been issued for the cemetery grounds. This is something that should be looked into at once. A cemetery association should be organized for the purpose of looking after the cemetery and holding the deed to the land used for that purpose. Get together and attend to this at once. Beautify the grounds before Decoration Day.

I have just received, from Edward B. Grossman & Co., of Chicago, a choice line of spring samples. Ladies'

Afflicted With Rheumatism,

"I was and am yet afflicted with rheumatism," says Mr. J. C. Bayne, editor of the Herald, Addington, Indian Territory, "but thanks to Chamberlain's Pain Balm am able once more to attend to business. It is the best of liniments." If troubled with rheumatism give Pain Balm a trial and you are certain to be more than pleased with the prompt relief which it affords.
