John H. Aitkin, of Huntington, has announced his candidacy for Republican nominee for State Treasurer. The following is the platform adopted by Mr. Aitkin. "I will give a straightforward, economical, business administration of the office, in accordance with our laws. All persons will be given a "square deal" and the office will be conducted in the interest of the whole people of our State. I am in favor of a law creating a board, consisting of the Governor, Secretary of State and State Treasurer; said board to name and select Depositories for State funds, the interest on said funds to become the property of the State, and be accounted for by the State Treasurer. I am in favor of a law regulating State and private banks, and the creation of a State Bank Examiner. I am in favor of the Direct Primary law, and a strict compliance with it."
