TEACHERS WANTED

The demand for good teachers in the western states is greater than the supply. Good teachers can always get jobs, paying from \$50 to \$100 per month.

We Prepare You for the Teachers' Examinations

The first thing necessary is to get a certificate. Our Teachers' Preparatory course gives the review which every teacher needs to pass the county examination.

We Teach You How To Teach

Our normal courses in methods of teaching are equal to a regular normal training school course.

We Help You Get A Position

Through our Teachers' Agency, we are able to find good paying positions for many well qualified teachers. Many school boards look to us to aid them in filling vacancies in their schools.

If you want to know more about this, write for our booklet, "Where Teaching pays," and for information about our courses for teachers. It will cost you nothing but the price of a postal card.
