

The Song of the Hair

There are four verses. Verse 1. Ayer's Hair Vigor makes the hair grow. Verse 2. Ayer's Hair Vigor stops falling hair. Verse 3. Ayer's Hair Vigor cures dandruff. Verse 4. Ayer's Hair Vigor always restores color to gray hair. The chorus is sung by millions.

"Before using Ayer's Hair Vigor I had very thin and very poor hair. But I continued to use the Vigor until my hair greatly improved in every way. I have used it off and on for the past ten years."—MRS. M. DRUMMOND, Newark, N. J.

Wit of a King's Family.

Queen Maud has the reputation of being the wit of King Edward's family. On one occasion she was with her sisters at a public function and noticed a curious pressman gazing at their every movement, says the London Tatler. Accordingly, she wrote something on a piece of paper and, making a pretense of handing it to one of her sisters, dropped it. The reporter, of course, in great glee picked it up, expecting to get a great scoop for his paper. Imagine his chagrin when he found written on it the commonplace remark: "My new boots pinch me horribly."

Keeping It in the Family.

"Confound it all," said the elderly gentleman who was dining with a chorus lady, "the youngster with that actress at the corner table is my grandson. The young puppy!" "Oh, it's all right," retorted the fair damsel. "He's with my grandmother."—Pittsburg Post.

FADED TO A SHADOW.

Worn Down by Five Years of Suffering from Kidney Complaint.

Mrs. Remetie Myers, of 180 South Tenth St., Ironton, O., says: "I have worked hard in my time and have been exposed again and again to changes of weather. It is no wonder my kidneys gave out and I went all to pieces at last. For five years I was fading away and finally so weak that for six months I could not get out of the house. I was nervous, restless and sleepless at night, and lame and sore in the morning. Sometimes everything would whirl and blur before me. I bloated so badly I could not wear tight clothing, and had to put on shoes two sizes larger than usual. The urine was disordered and passages were dreadfully frequent. I got help from the first box of Doan's Kidney Pills, however, and by the time I had taken four boxes the pain and bloating was gone. I have been in good health ever since."

Candied Cherries.

Make a sirup from 1 pound of sugar and one-half pint of water. Stir until the sugar is dissolved, then boil quickly about three or four minutes. Try by dipping a little in cold water. If it forms a small ball when rolled between the thumb and finger it has attained the right degree known as the "ball." Throw the cherries in, a few at a time, and let simmer for a moment. Lift with a skimmer, draining free from all sirup. Sprinkle sugar thickly over boards or pans. Then put a layer of fruit and sprinkle thickly with granulated sugar. Place in the sun to dry. When dry make a sirup as before; add the fruit and stir with a wooden spoon until the sirup begins to grain and stick to the fruit. When cold sift sugar over and dry again. Place between sheets of waxed paper.

Harlequin Jelly.

Dissolve a half package of gelatine in a pint and a half of cold water. Have ready the juice of two lemons, two oranges and a can of pineapple and add to it a cup and a half of sugar. Pour over the mixture a pint of boiling water and add the whole to the gelatine; stir thoroughly, strain, and set away to cool. Cut into dice pineapple, oranges, candied cherries and bananas until there is a cup and a half, and when the gelatine begins to harden drop in the fruit lightly. Pour into a mold and chill.

Snowflake Pudding.

If this pudding is as dainty as its name it ought to be delicious. To make it, soak a package of gelatine in one cup of cold water until thoroughly dissolved, then turn into it two and a half cups of boiling water, the juice of two small lemons, one and one-half cupfuls of sugar and the well-beaten whites of three eggs. Whip until very stiff. Make a custard by scalding one and a half pints of milk, adding to it one cup of sugar, one tablespoonful of flour and the yolks of three eggs. When cold, flavor with vanilla.

Marmalade Turnovers.

Take two eggs, the weight of one in butter and in flour, half a pint of milk, and a dessertspoonful of sugar; cream the sugar and butter together, working them in a basin with a wooden spoon; add the flour and the milk, and beat well. Pour the latter into some buttered saucers, and bake for about twenty minutes in a moderate oven, but do not let them harden; turn out and fold in two, like turnovers, putting a teaspoonful of marmalade in each. Sift white sugar over, and serve hot.

Chutney.

This is a delicious chutney for use with fresh meats. Pare and quarter one dozen large, sour apples and chop fine, together with two green peppers from which the seed have been removed, one teacupful of stoned raisins, and two medium-sized onions. Put the mixture into a porcelain kettle with one quart of apple vinegar; simmer two hours. Add two teacupfuls of sugar and two teaspoonfuls each of salt, mustard seed and ground ginger. Cook while hot and keep in a cool, dark place.

Dishwashing Device.

Where a great deal of dishwashing is necessary, it is a good plan to do away with the drying of them. To make this possible in the average household, a 25-cent rack is now sold. It is shaped like those photographers use for negatives, only, of course, much larger. After being rinsed with clean hot water, the dishes can be set up on edge in the rack and allowed to dry by evaporation. All they need then is a polish with a dry towel as they are placed on the table.

Pineapple and Celery Salad.

Shred a ripe pineapple; set on ice until thoroughly chilled; mix with one cupful of finely chopped crisp white celery, and a sweet red pepper cut into dice. Sprinkle over this a little French dressing and let stand a few minutes. Then mix with mayonnaise and whipped cream and garnish with nut meats. Serve on lettuce leaves.

Baked Rhubarb.

Take 1 pound of rhubarb, the red kind, cut in small pieces; add one scant cup sugar, put in an earthen or granite baking dish, cover and put in the oven. Bake in a slow oven until tender, the time varying with the variety of the rhubarb. When cooked in this way the taste is much more delicate and rich than the old-fashioned way of stewing.

Tomatoes au Gratin.

Cut into pieces a half dozen (not too ripe) tomatoes. Line a pudding dish with cracker crumbs, cover with a thin sprinkling of the tomato, grate over it some American cheese, and so on until the dish is filled, having the last layer of the cheese and the one before it of the cracker crumbs.

Dr. L. R. Robinson, of Kansas City, Mo., says: "Your Castoria certainly has merit. Is not its age, its continued use by mothers through all these years, and the many attempts to imitate it, sufficient recommendation? What can a physician add? Leave it to the mothers."

Dr. Edwin F. Pardee, of New York City, says: "For several years I have recommended your Castoria and shall always continue to do so, as it has invariably produced beneficial results."

Dr. N. B. Sizer, of Brooklyn, N. Y., says: "I object to what are called patent medicines, where maker alone knows what ingredients are put in them, but I know the formula of your Castoria and advise its use."

"Rev." Larry Summersfield.

The Broadway friends of Larry Summersfield, the wireless wire tapper, were greatly pleased yesterday to learn that their old associate had been selected as organist in the chapel at Sing Sing prison. As there are several sets of services each Sunday, the new job will enable Larry to be away from his cell the greater part of the day.

Of all days the most dreaded by the Sing Sing prisoners is Sunday. They have no work to do then and must remain in the cells except when attending chapel services. There are two chapels—Protestant and Catholic. The prisoners usually attend both, so as to get away from the close confinement on Sunday.

As organist, Summersfield will not only escape the cell confinement on Sunday, but will also have a few "evenings out," as there are services several times a week in the evening. According to the friends of Summersfield, the wire-tapper was brought up amid religious surroundings and there was an organ in his home. It is said that he has been after the job of organist for some time.—New York Sun.
