Entered as second-class matter October 6, 1905, at the post office at Lexington, Oregon, under the Act of Congress of March 3, 1879.

THURSDAY OCTOBER 11, 1906.

If the Portland Grain handlers win in this strike will the Warehouse companies make the farmer pay the additional five cents per hour demanded? They pay about all of the exporters expenses now even to buying the sacks the wheat is exported in and sacking the grain for export.

Claude White and Miss Sarah White departed for Moscow, Idaho, Monday morning. It is expected that they will be married before returning. Claude is the oldest son of Mr. and Mrs. J. M. White and Miss Sarah is the daughter of Rev. J. C. White, of Strawberry. Both are highly respected young people and The Wheatfield joins their many friends in good wishes.

SENTENCE SERMONS

By Henry F. Cope.

Only the hopeful can help.
All joy were but discord without sor row.
You cannot lift up the people on whom you look down.
Only a dead creed can be embalmed in phrases.
The cure for your own cares is care for others.
There is nothing heroic in home-made heresy.
The only way to lift life is to lay life down.
No man loses any of his own light by kindling it in others.
A man's sensitiveness usually is in inverse ratio to his service.
The secret of being a saint is being a saint in secret.
It's no use locking like a lemon when you talk of loving your neighbor.
They seldom transgress any law who follow where love leads.
Loan this Wheatfield to your neighbor. The Wheatfield is the best for the money.
The only way to make sure of a clean heart is to watch against the little snouts.
Most of us rather would do a lot of regulation abroad than practice a little righteousness at home.
Judged by some standards pickles ought to be powerful promoters of piety.
Many think they are defending faith when they only are fighting against the necessity of thinking.

SCHOOL NEWS

Miss Amanda Waid has taken up the ninth grade work.
The enrollment is steadily increasing. Several new pupils have entered the past week.

Monte Hunter returned from Portland a few days ago and is again at his school work.

Anyone wishing to do school work of any kind will do us a favor by gathering together their books and coming to school. We will try and help out all we can. That is what we are paid for and if you wish a little more school work come and give us a chance and we will endeavor to help you along.

The first regular meeting of the Lexington High School club was held at the home of Mr. and Mrs. E. D. Brown. The following officers were elected: President, Miss Mary Graham; Secretary, Miss Ruth Brown. The evening was spent in playing games and contesting for prizes. Those securing prizes were Miss Grace Cole, Miss Lucy Davis and Marshal McAlister. The meeting was enjoyed by all and it is to be hoped that the other meetings scheduled for this winter will progress as nicely.

BLACK HORSE

Wheat hauling is taking the day now.

W. E. Leach drove up Black Horse Monday.

F. E. Bell was a Lexington visitor Monday.

Mrs E. S. Duran was in Lexington Tuesday.

E. S. Duran has been the sick list the past two weeks but is improving.

Robert Vanhorn and son Rob, are on Heppner Flatt this week preparing to do their fall seeding.

Dave Conner, who is staying on Black Horse, went to Gooseberry Sunday returning Monday.

Mrs. Geo. Mead and daughters, Etta and Lillian, and two sons, visited with Mrs. E. D. McMillan Wednesday.

The B. B. & Z. Co. will finish threshing Friday. Farmers are feeling rather blue on account of the short crops.

A dance was given at Geo. Mead's last Saturday night. Everyone reports a good time, good supper and good order.

School started last Monday with Miss Grace Cypert as teacher. This is Miss Cypert's first attempt and we wish her success.

Ray Judy, of Ione, and Bert Clark and two sisters, Misses Mabel and Etta, of Social Ridge, attended the dance at George Mead's Saturday night.

T. R. Mead received word last week that his son in Missouri was very low with consumption and not expected to live long. Mr. Mead is preparing to go there.

Literary will soon begin at the Black Horse school house. It will be on Saturday night as most everybody knows, and everyone is invited to attend and take part in the exercises. It will commence in November and continue until spring. We invite the people of this and surrounding neighborhoods to join us and enjoy a good time.

NOTHING TO FEAR

Mothers need have no hesitancy in continuing to give Chamberlain's cough remedy to their little ones, as it contains absolutely nothing injurious. This remedy is not only perfectly safe to give small children, but is a medicine of great worth and merit. It has a world wide reputation for its cures of coughs, colds and croup and can always be relied upon. For sale by W. P. McMillan's Drug Store

Read The Wheatfield and be happy.

Laundry Hints.

Cold rain water and soap will remove machine grease.

A little borax in the last rinsing water will make handkerchiefs easier to iron and look better when done.

Ten cents' worth of sugar of lead in three gallons of soft water will prevent any color of blue from fading in the laundering.

Tomato Butter.

To nine pounds of ripe tomatoes, peeled and sliced, allow three pounds of sugar, a pint of vinegar, three tablespoonfuls of cinnamon, one and one-half tablespoonfuls of allspice and a tablespoonful of cloves; cook until thick, stirring often to prevent scorching.

HUMAN BLOOD MARKS.

A tale of horror was told by marks of human blood in the home of J. W. Williams, a well known merchant of Bac, Ky. He writes: "Twenty years ago I had severe hemorrhages of the lungs, and was near death when I began taking Dr. King's New Discovery. It completely cured me and I have remained well ever since." It cures Hemorrhages, Chronic Coughs, Settled Colds and Bronchitis, and is the only known cure for Weak Lungs. Every bottle guaranteed by W. P. McMillan, Druggist. 50c and \$1.00. Trial bottle free.
