DEVIL'S ISLAND TORTURE

is no worse than the terrible case of Piles that afflicted me 10 years. Then I was advised to apply Bucklen's Arnica Salve, and less than a box permanently cured me, writes L. S. Napier, of Ruggles, Ky. Heals all wounds, Burns and Sores like magic. 25c at W. P. McMillan, druggist.

SHE MADE CHANGE.

A New but a Mean Way to Collect an Old Debt.

A woman in stunning attire got aboard a Columbus avenue car at Forty-ninth street. When the conductor called for her fare she gave him a five dollar bill. He put the usual question about smaller change and she gave the usual negative reply. The situation was unpleasant, especially for the conductor. Obviously she was such a fine lady that to put her off the car for non-payment of fare would be to invite his own downfall. He looked at the men who sat near, with an urgent appeal for a nickel in his eyes, but those unchivalrous passengers were injured to the woes of the woman who travels with five dollar bills. The woman got nervous. "What shall I do?" she said. "Perhaps I can find somebody who has change for the bill," said the conductor.

He sounded several people on the subject, but they proved to be short of change. Presently a woman up front said, "I have the change."

At the sound of her voice the owner of the five dollar bill turned with a startled air and blushed violently.

"You need not bother about the change," she said. "I believe I will get off at the next corner, anyway."

The conductor said, "All right," and reached out his hand for the bill, but the second woman had already tucked it into her pocketbook and had counted out 50 cents in nickels and dimes.

"Here," she said, "give this to her and tell her I have kept back the \$4.50 she has owed me for a year and a half."

The conductor looked from one to the other helplessly. "Give it to her," was the supplementary command. "She'll take it. She knows better than to raise a row."

He tendered the 50 cents to the well-gowned woman. She picked 45 cents out of his palm and started toward the door.

"You mean old thing," she shrieked at the woman who made change. And then she left the car.—New York Press.

AN AWFUL COUGH CURED

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale by W. P. McMillan's Drug Store.
