**FOLLOWING THE FLAG**

When our soldiers went to Cuba and  
 the Philippines, health was the most  
 important consideration. Willis T.  
 Morgan, retired Commissary Sergeant  
 U. S. A., of Rural Route 1, Concord,  
 N. H., says: "I was two years in Cuba  
 and two years in the Philippines, and  
 being subject to colds, I took Dr. King's  
 New Discovery for Consumption.  
 Which kept me in perfect health. And  
 now, in New Hampshire, we find it the  
 best medicine in the world for coughs,  
 colds bronchial troubles and all lung  
 diseases." Guaranteed at W. P.  
 McMillan druggist. Price 50c and  
 \$1.00. Trial bottle free.

dition for the occasion: Music by  
 the Eagles band, of Pendleton. Ad-  
 dress of welcome by S. E. VanVactor  
 Short talk on value of co-operation by  
 S. E. Notson, and addresses by promi-  
 nent speakers from Spokane, Walla  
 Walla, Portland and Pendleton, on ir-  
 rigation, open river, jute mill and oth-  
 er important subjects. Grand ball by  
 Heppner Commercial Club. Come  
 one and all and get acquainted and  
 have a good time.

B. F. Swaggart passed through town  
 Monday enroute to Pendleton where he  
 goes to dispose of five Jacks that he  
 wishes to place in Umatilla county. At  
 the District fair he showed Jacks that  
 took first and second premiums, and  
 also took first premium on mules. He  
 has fully demonstrated that he is breed-  
 ing the very best quality of animals.  
 He has showed his Jacks and mules  
 where imported animals were on ex-  
 hibition and has captured the prizes,  
 which is a self evident fact that now  
 the people of Oregon can purchase  
 from the East Oregon Jack Farm, for  
 one half the amount that a Jack can  
 be bought from the east, and get one  
 that is acclimated, hardy and speedy.  
 This is a matter of importance to  
 those wishing to purchase and the  
 mule industry is becoming more im-  
 portant each year. Some of these  
 Jacks should be kept in Morrow Co.

**In Praise of Chamberlain's Cough  
 Remedy**

There is no other medicine manu-  
 factured that has received so much  
 praise and so many expressions of  
 gratitude as Chamberlain's Cough  
 Remedy. It is effective, and prompt  
 relief follows its use. Grateful parents  
 everywhere do not hesitate to testify to  
 its merits for the benefit of others. It  
 is a certain cure for croup and will pre-  
 vent the attack if given at the first ap-  
 pearance of the disease. It is espe-  
 cially adapted to children as it is pleas-  
 ant to take and contains nothing injur-  
 ious. Mr. E. A. Humphreys, a well  
 known resident and clerk in the store  
 of Mr. E. Lock, of Alice, Cape Colony,  
 South Africa, says: "I have used Cham-  
 berlain's Cough Remedy to ward off  
 croup and colds in my family. I have  
 found it to be very satisfactory and it  
 gives me pleasure to recommend it."
