DANGERS OF A COLD AND HOW TO AVOID THEM.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by W. P. McMILLAN's drug store.

We are unable to state the exact day we will be at Lexington.

Dade's Little Liver Pills thoroughly clean the system, good for lazy livers, makes clear complexions, bright eyes and happy thoughts. Sold by W. P. McMILLAN.

THE GRIP

"Before we can sympathize with others we must have suffered ourselves." No one can realize the suffering attendant upon an attack of the grip, unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands
