**NOTICE**

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

Mr. and Mrs. Geo. Consor returned Tuesday after an extended vacation of more than three months. About half of this time was spent in Los Angeles and San Francisco, the remainder being spent in Portland and Willamette valley towns. George says while they spent a very pleasant vacation, he is glad to get back home again. George has been cashier of the First National bank for about seventeen years and this is the longest vacation he has taken during all that time.—Times.

In last week's issue the statement was made that one of the members of the School Board had urged the fight

between two school children. This fight occurred near the shop of W. G. Scott, and he was the member referred to, but upon closer investigation we have found that we were misinformed as to Mr. Scott urging the fight and make this statement to clear him of the accusation.

Miss Audrey Woolery of Ione, polled the highest vote in the Pacific Northwest's Jamestown Exposition contest and was therefore entitled to name the chaperon for the party of girls to be sent on a free trip to the Jamestown exposition by the Pacific Northwest. Miss Woolery has chosen Mrs. C. E. Redfield of Heppner.—Times.

**IF YOU WANT CASH**

FOR YOUR REAL ESTATE OR BUSINESS

**I CAN GET IT**

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads", and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads"? I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers. I do not handle all the usual things carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell how and why I can quickly convert the property into cash, and will give you my complete plan

**FREE OF CHARGE**

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
