THURSDAY FEBRUARY 7, 1907.

NOTICE

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

There is a bill now before the Legislature providing for reciprocal demurrage, which should become a law. There is no good reason why a corporation should make shippers pay demurrage for cars and then not be liable to the shipper for failure to furnish cars to them.

Bee's Laxative Cough Syrup containing honey and tar is especially appropriate for children, no opiates or poisons of any character, conforms to the conditions of the National Pure Food and Drug Law, June 30, 1906. For Croup, Whooping Cough, etc. It expels coughs and colds by gently moving the bowels. Guaranteed. Sold by W. P. McMillan.

NEIGHBORS GOT FOOLED

"I was literally coughing myself to death, and had become too weak to leave my bed; and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Uncapher, of Grovertown, Stark Co., Ind. This King of cough and cold cures, and healer of throat and lungs, is guaranteed by W. P. McMillan, Druggist. 50c and \$1.00. Trial bottle free.

IF YOU WANT CASH

FOR YOUR REAL ESTATE OR BUSINESS

I CAN GET IT

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads", and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads"? I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers. I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
