NOTICE

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

FROM OLE OLESON

The following communication was received by us a few days ago, and as the writer (who, we are confident, is of the fair sex) presumes to dictate to us what shall or shall not appear in these columns we give it space this week:

"Mr. Editor—In a town oft' named in your "Wheatfield", called for him of long-eared fame, lives a man who is named "Yon Yonson" and say! what a aw-breaking name."

"He tells of this one and that one of "Svedes" and "Svede Canyon mans" till our eyes refuse to do duty and we fancy the bang of tin pans. For the're coming as surely as Satan,

then rotten eggs next will attest how tired we are of that nonsense. Oh say "Yon"! Do give us a rest."

Ole Oleson"

A short time ago we read in one of our exchanges that the worst knocker newspapers have are those who are not subscribers of the paper, but borrow if from their neighbors in order to get the news. We fail to find the name of Ole Oleson on our list and presume that Ole is one of this class. There is a name carried at the mast-head of this sheet, and that party alone dictates what shall or shall not appear in these columns. We do not allow any other person, party or sect to dictate to us what to publish. The Wheatfield is a business enterprise and we solicit and need the support and good will of all, yet we not expect to please everyone all the time, as what is of interest to some may seem senseless or of no interest to others. We do not claim that there is much real merit in the "Yon Yonson" letters, yet there are those who enjoy reading them and have asked why they have not appeared the last few issues. As for the implied threat, we are not exceedingly brave, but we do not fear the "rotten eggs," and would prefer having a few of them cast at us rather than be a toady, swaying this way or that as we should be dictated to by such parties as the author of the above letter. Our stand may lose us one or two subscribers, but the paper will not stop as we have enough subscribers and patronage among the broad-minded, liberal class of people to assure Lexington of a newspaper, that always has and always will work for the best interests of Lexington and her people at large.

SCHOOL NEWS

Frank Tyler and Grace Cypert are out of school taking the examination.

Mr. Waid is in Heppner this week taking the examination and Mrs. E. E. Thomas is in charge of his room.

The last meeting of the Social Club was held at the home of Miss Mary

Graham last Friday evening. Progressive anagrams was the order of the evening. Mr. J. E. Waid won first prize.

The debating teams are doing some excellent work. The debate last Friday afternoon, on the question; Resolved that Lee was a greater General than Grant, was well presented. The decision was given in favor of the affirmative. The debating work is exceptionally good when we consider that these are the first attempts of most of the debaters.

The relief of coughs and colds through laxative influence, originated with Bee's Laxative Cough Syrup containing honey and tar, a cough syrup containing no opiates or poisons, which is extensively sold. Secure a bottle at once, obtain a guarantee coupon, and if not fully satisfied with results, your money will be refunded. Sold by W. P. McMillan.

IF YOU WANT CASH

FOR YOUR REAL ESTATE OR BUSINESS

I CAN GET IT

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (unlike all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads", and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads"? I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers. I do not handle all lines of property, I MUST SELL real estate—and lots of it—or go out of business. I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
