**NOTICE**

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

**CROP PROSPECT GOOD**

Editor Wheatfield—The people of this section are all very busy since the Chinook wind has come and thawed out the fields, starting their plows and preparing for the spring seeding. I have examined the fall sown grain and find it in good condition. I sowed my oats and barley last September and it has not been injured by the winter. The winter has been long and severe, the hardest on my stock for 25 years. This was caused by the frost settling on the grass which was much more severe on stock than snow. The farmers should feel encouraged as the

promise was never better for a large crop season since the settlement of Eastern Oregon than at present. The ground is more thoroughly soaked and to a greater depth than I have ever known in the past 36 years.

There has been considerable damage done in this section by wash outs. Near my barn there was a cut washed down to bed rock, from 12 to 15 deep and now I have a number of strong springs that will be of great value as one can be placed in the barnyard and I don't think I will be compelled to longer use the pump.

**ANDREW J. LANE**

Word was received Monday morning that A. J. Lane died Sunday, at Phenix, Arizona, where he went about three months ago hoping that the change of climate would benefit him.

Andrew J. Lane was born in Missouri, January 3rd, 1873. In 1876 he went with his parents to Kansas and removed from there to Oregon in 1881. He was the youngest of a family of twelve children all of whom except two, Mrs. Jerry Phillips of this city, and Mrs. B. F. Cox, of Independence, have passed into the great beyond.

He was married November 1st, 1899, to Miss Kate Barton, at Lone. Two children, Gladys and Kenneth, were born of this union, all of whom are living to mourn the loss of a husband and father.

The body, accompanied by the bereaved widow and children, is expected to arrive in Lexington Friday evening in which event the funeral services will be held Saturday.

**DUTIES OF AN EDITOR**

Being an editor is the easiest thing in the world, says one of the profession. All you have to do is to "Learn how to be cheerful, long suffering, going about doing good for evil; write puffs of marriages and festivals and in return accept a hunk of cake that would sink an iron-clad; injure your soul lying about pretty babies and love-

ly brides; rejoice with the gay and mourn with the disconsolate; boom every enterprise and go about yourself clothed in a gunny sack and one suspender; glory over the fortune of your neighbor and eat boiled corn cobs and colored labels off tin cans; learn to write a sermon or report a prize fight, political speech or shape an obituary; write poetry, split wood, wash dishes, curry horses, preside at a camp meeting, quote law or scripture and flir with the widows—away from home."

The relief of coughs and colds through laxative influence, originated with Bee's Laxative Cough Syrup containing honey and tar, a cough syrup containing no opiates or poisons, which is extensively sold. Secure a bottle at once, obtain a guarantee coupon, and if not fully satisfied with results, your money will be refunded. Sold by W. P. McMillan.

**IF YOU WANT CASH**

FOR YOUR REAL ESTATE OR BUSINESS

**I CAN GET IT**

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads", and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads"? I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers. I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell how and why I can quickly convert the property into cash, and will give you my complete plan

**FREE OF CHARGE**

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
