NOTICE

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

THE HOUR IS PASSING

Until the buds appear, it is still time to spray with lime-sulphur solution for San Jose scale, says the Portland Journal. In the case of peaches, prunes and cherries, the hour will soon have passed, but in the more important apple industry as late as April 10 is usually opportune.

The reward for the work is redeemed orchards, obliterated scale, gradual emancipation from moss and scurvy, cure for apple scab, and trees that present the pleasant appearance of thrift, cleanliness and vigor. This is the immediate reward. Later com-

pensation comes in the more remunerative condition of fruit that the market wants and is willing to pay handsomely for. To let the orchards stand unsprayed is at par with half-fed and uncurried horses, farm machinery lying exposed to winter rains, poorly cultivated fields, indifference to debt and other marks of unthrift. Where progressive method is in vogue on the farm, the standard of living is highest and the per capita of wealth greatest. Competence and thrift seldom come to the sloven and laggard, but are reserved for the man whose eyes and ears are open and his hands busy to utilize the newest and best way of doing things.

Oregon soil and climate are ready to do their part in the production of fruit, if only the husbandman will give them the opportunity. The world wants Oregon apples and is willing to pay the price. Three dollars a box for Hood River apples and three dollars a box for Rogue River apples last season mean splendid prices for Willamette valley apples if Willamette valley growers will only aid them to mature unblemished by worms and unblighted by scale.

Ahead is a time when the foothill farm will be largely salable or unsalable and when its value will be enhanced or diminished according as the orchard presents thrift or unthrift, for it will be a time when Oregon apples will be a desideratum to the incoming seekers after homes. To fail now to spray will be to drop behind in the procession of forces and factors making for a bigger and better Oregon.

In the treatment of piles it becomes necessary to have the remedy put up in such a form that it can be applied to the parts affected. Man Zan Pile remedy is encased in a collapsible tube with nozzle attached. It cannot help but reach the spot. Relieves blind, bleeding, itching and protruding piles. 50c with nozzle guaranteed. Try it. Sold by W. P. McMillan.

SAVED HER SON'S LIFE

The happiest mother in the little town of Ava, Mo., is Mrs. S. Ruppee. She writes: "One year ago my son was down with such serious lung trouble that our physician was unable to help him; when, by our druggist's advice I began giving him Dr. King's New Discovery, and I soon noticed improvement. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at carpenter work. Dr. King's New Discovery saved his life." IF YOU WANT CASH

FOR YOUR REAL ESTATE OR BUSINESS

I CAN GET IT

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads", and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads"? I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers. I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
