NOTICE

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

WOMAN'S ORIGIN.

The Story as It is Told in an Old Sanskrit Legend.

Tradition says there was a scarcity of solid elements at the time of her creation.

At the beginning of time Twashtri, the Vulcan of the Hindoo mythology, created the world, but when he wished to create a woman he found that he had employed all his material in the creation of man. There did not remain one solid element. Then Twashtri, perplexed, fell into a profound meditation. He roused himself as follows: He took the roundness of the moon, the undulations of the serpent, the intertwining of climbing plants, the trembling of the grass, the slenderness of the rose vine and the velvet of the flower, the lightness of the leaf and the glance of the fawn, the gayety of the sun's rays and tears of the mist.

the incoherence of the wind and the timidity of the hare, the vanity of the peacock and the softness of the down on the throat of the swallow, the hardness of the diamond, the sweet flavor of honey and the cruelty of the tiger, the warmth of fire, the chill of snow, the chatter of the jay and the cooing of the turtle-dove. He united all these and formed a woman. Then he made a present of her to man.

Eight days later the man came to Twashtri and said:

"My lord, the creature you gave me poisons my existence. She chatters without rest, she takes all my time, she laments for nothing at all and is always ill."

And Twashtri returned the woman again.

But eight days later the man came again to the god and said:

"My lord, my life is very solitary since I returned this creature. I remember she glanced at me from the corner of her eye, and she played with me, clung to me."

And Twashtri returned the woman to him.

Three days only passed, and Twashtri saw the man coming to him again.

"My lord," said he, "I do not understand exactly how, but I am sure the woman causes me more annoyance than pleasure. I beg of you to relieve me of her."

But Twashtri cried, "Go your way and do your best!"

And the man cried, "I cannot live with her!"

"Neither can you live without her," replied Twashtri.

And the man was sorrowful, murmuring: "Woe is me! I can neither live with her nor without her."—Chicago Record-Herald.

Ancient Thermopylae.

In spite of the fact, which is well known, that the sea has receded since ancient times, the strategical position of the ancient pass of Thermopylae is still immensely strong. The alternative route by Deloighi, which crosses the hills a mile and a half north of the springs by well engineered zigzags, is equally capable of defense and leads into a country of a most difficult character. Either pass might be held indefinitely by 5,000 men. The coast road is absolutely commanded from the heights so that a comparatively small force would render it impassable, while the flat lowland lying near the sea is marshy and intersected by dikes.

In the treatment of piles it becomes necessary to have the remedy put up in such a form that it can be applied to the parts affected. Man Zan Pile remedy is encased in a collapsible tube with nozzle attached. It cannot help but reach the spot. Relieves blind, bleeding, itching and protruding piles. 50c with nozzle guaranteed. Try it. Sold by W. P. McMillan.

SAVED HER SON'S LIFE

The happiest mother in the little town of Ava, Mo., is Mrs. S. Ruppee. She writes: "One year ago my son was down with such serious lung trouble that our physician was unable to help him; when, by our druggist's advice I began giving him Dr. King's New Discovery, and I soon noticed improvement. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at carpenter work. Dr. King's New Discovery saved his life." Guaranteed best cough and cold cure by W. P. McMillan Druggist. 50c and \$1.00. Trial bottle free.

IF YOU WANT CASH

FOR YOUR REAL ESTATE OR BUSINESS

I CAN GET IT

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads", and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads"? I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers. I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year. but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.
