Copy for change of advertising must reach this office by Wednesday noon.

Entered as second-class matter October 6, 1905, at the post office at Lexington, Oregon, under the Act of Congress of March 3, 1879.

THURSDAY MARCH 28, 1907.

NOTICE

The best way to build up your own town is to do your trading at home. Patronize your home merchants. If they succeed the chances are you will succeed. When you send a dollar to a mail order house you have the goods and they have the money. Trade at home and we keep both the goods and the money.

GARDEN BRIEFS

One of the greatest mistakes a farmer can make is to become so engrossed in making money that he has no time to beautify his home. One of the cheapest and most effective ways of doing this is with nature's own materials. Here is a plan for a unique and pretty flower bed, which will be an ornament to any lawn. Make a pile of stone—preferably boulders or "nigger heads"—of any convenient size, and fill the spaces with rich dirt. Plant all these little holes to ferns and flowers, and in a few weeks you will find that you have added a very beautiful feature to your yard.

Almost everyone is familiar with the lily of the valley, the achilleas and the golden glow or rudbeckia and will hardly need to be told how they are propagated. They increase so rapidly from underground rootstocks as to be soon crying for more room and rapidly deteriorate if not transplanted or thinned out and fertilized often.

Every man who owns his own home should have an asparagus bed, but it won't pay renters to attempt it, because it takes so long to get it started. Once established, it is good for twenty years, or even longer, and furnishes the first green thing for the table in the early spring. For a small bed, for home use, one had better buy the roots from a seedhouse, though if one wants extra nice plants he can get them by sowing the seed and selecting only the best plants that come from the seed.

A Maryland gardener says: After we dig the potatoes it is our usual custom to plow the ground and sow scarlet clover and turnip seed, taking care not to get the turnip seed too thick. We get a good crop of turnips without any labor, and also a crop of hay. The scarlet clover seems to be benefited by turnips being in it, for we always get a crop of hay even when it is a failure elsewhere.

In the treatment of piles it becomes necessary to have the remedy put up in such a form that it can be applied to the parts affected. Man Zan Pile remedy is encased in a collapsible tube with nozzle attached. It cannot help but reach the spot. Relieves blind, bleeding, itching and protruding piles. 50c with nozzle guaranteed. Try it. Sold by W. P. McMillan.

SAVED HER SON'S LIFE

The happiest mother in the little town of Ava, Mo., is Mrs. S. Ruppee. She writes: "One year ago my son was down with such serious lung trouble that our physician was unable to help him; when, by our druggist's advice I began giving him Dr. King's New Discovery, and I soon noticed improvement. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at carpenter work. Dr. King's New Discovery saved his life." Guaranteed best cough and cold cure by W. P. McMillan Druggist. 50c and \$1.00. Trial bottle free.

The Wheatfield has just completed arrangements with the Oregon Journal whereby we are able to furnish the Oregon Daily Journal, including the Sunday issue, and The Wheatfield, one year \$7. The Daily Journal and Wheatfield one year \$5. The Semi-Weekly Journal and The Wheatfield one year \$1.75.

IF YOU WANT CASH

FOR YOUR REAL ESTATE OR BUSINESS I CAN GET IT

No Matter What Your Property is Worth, or in What Town, City, State or Territory it is Located

If I did not have the ability and facilities to sell your property, I certainly could not afford to pay for this advertisement. This "ad" (like all my other "ads") is practically sure to place on my list a number of new properties, and I am just as sure to sell these properties and make enough money in commissions to pay for the cost of these "ads", and make a good profit besides. That is why I have so large a real estate business today.

Why not put your property among the number that will be sold as a result of these "ads"? I will not only be able to sell it—some time—but will be able to sell it quickly. I am a specialist in quick sales. I have the most complete and up-to-date equipment. I have branch offices throughout the country and a field force of men to find buyers. I do not handle all lines usually carried by the ordinary real estate agents. I MUST SELL real estate—and lots of it—or go out of business. I can assure you I am not going out of business. On the contrary, I expect to find, at the close of the year, that I have sold twice as many properties as I did the past year, but it will first be necessary for me to "list" more properties. I want to list YOURS and SELL it. It doesn't matter whether you have a farm, a home without any land, or a business; it doesn't matter what it is worth, or where it is located. If you will fill out the blank letter of inquiry below and mail it to me today, I will tell how and why I can quickly convert the property into cash, and will give you my complete plan

FREE OF CHARGE

and terms for handling it. The information I will give you will be of great value to you, even if you should decide not to sell. You had better write today before you forget it.

If you want to buy any kind of a Farm, House or business, in any part of the country, tell me your requirements. I will guarantee to fill them promptly and satisfactorily.

David P. Taff, The Land Man, 415 Kan. Ave., Topeka, Kas.
