LEXINGTON IS A PRETTY GOOD TOWN

# LEXINGTON WHEATFIELD

LEXINGTON, OREGON, THURSDAY MAY 2 1907

NO. 32

### STRAWBERRY

Miss Linda Gray was visiting with her brothers and sisters at Eight Mile She and her sister, Eunice are waiting to take the eighth grade examination as soon as the county superintendent to give it which perhaps will be some time in the month of May.

E. E. Barzee, of 4 miles northwest of Strawberry, has recently gone to Sherman county where he has rented a section of land to summer fallow. Mr. Barzee has about 700 acres of wheat in this county all near his homestead and has purchased a combine harvester that he may be able to have his grain thrashed all at the right time. He leaves his family here on the homestead. They have four fine jersey cows, from which they have received good results. They have a cream separator and sell all the butter to private parties at 60 cents per roll.

It was announced in these columns two weeks ago that Strawberry Sunday

School had closed; you might say practically dead. We have since learned that the most lively Sunday school in the county is Social Ridge. The Strawberry correspondent would like to know who is wearing the belt as champion Sunday school scrapper.

### Chamberlain's Colic, Cholera and Diarrhoea Remedy

There is probably no medicine made that is relied upon with more implicit confidence than Chamberlain's Colic, Cholera and Diarrhoea Remedy. During the third of a century in which it has been in use, people have learned that it is the one remedy that never fails. When reduced with water and sweetened it is pleasant to take. For sale by W. P. McMillan's Drug Store.

28th. Also the Misses Grace Cole and Josie Eskelson visited that day.

Mr. and Mrs. W. T. Campbell and Ern Hunt went to Heppner last Friday to attend the I. O. O. F. anniversary, returning home Saturday morning. They reported having a good time.

### SCHOOL NEWS

The last meeting of the Social club met at the home of Miss Edna Carmichael. All report a very pleasant time.

The local teachers institute held at the school house last Saturday was

very well attended. Owing to the absence of two of the instructors the program was not as extensive as had been planned. The following program however was given part of it having been arranged for on the day given:

### Good Words for Chamberlain's Cough Remedy

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips of Barclay, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy whenever she has had a cold since she was two months old. About a month ago I contracted a dreadful cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by W. P. McMillan's Drug Store.

### RELIEF FROM RHEUMATIC PAINS

"I suffered with rheumatism for over two years," says Mr. Rolland Curry, a patrolman, of Key West, Fla., "Some times it settled in my knees and lamed me so I could hardly walk, at other times it would be in my feet and hands so was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by W. P. McMillan's Drug Store.
