REMARKABLE RESCUE

That truth is stranger than fiction, has once more been demonstrated in the little town of Fedore, Tenn., the residence of C. V. Pepper. He writes: "I was in bed, entirely disabled with hemorrhages of the lungs and throat. Doctors failed to help me, and all hope had fled when I began taking Dr King's New Discovery. Then instant relief came. The coughing soon ceased; the bleeding diminished rapidly, and in three weeks I was able to go to work." Guaranteed cure for coughs and colds. 50c. and \$1.00, at W. P. McMillan's drug store, Trial bottle free.

A swift game of ball was played on the home diamond between a Lexington scrub team and the Strawberry team. It was so swift that the score keeper was working overtime to keep up with the game. At the end of the ninth inning the game stopped neither quite sure of the number of scores made. It took almost as long to get the returns as it does from a city election in Portland, however the official count showed the score to be 34 to 35 in favor of Strawberry. Another and better game is promised in the near future as both teams are confident they can make a heavier score.

\$25.00 REWARD

I will pay a reward of \$25.00 for information leading to the arrest and conviction of any person or persons unlawfully entering my blacksmith shop.

John B. White.

EVERY MAN HIS OWN DOCTOR

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for cough, colds, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swelling, lame back and rheumatic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but \$1.25. For sale by W. P. McMillan's Drug Store.

MULE RAISING PROFITABLE

Mule raising is the best money making proposition in Oregon, says B. F. Swaggart. I have a few fine young Jacks to dispose of and in payment for them I will take mule colts at \$100 each at weaning time. I keep at the East Oregon Jack Farm the stallion, Milwaukee, that won the blue ribbon at the Lewis & Clark Fair. Milwaukee stands at \$25 for the season with privilege of returning. Also six fine Oregon Jacks. It has been fully demonstrated that they excell the eastern Jacks for both size and quality of mules. I insure for \$10.
