### EVERY MAN HIS OWN DOCTOR

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for cough, colds, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swelling, lame back and rheumatic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for diseases of the skin.

One bottle of each of these five preparations costs but \$1.25. For sale by W. P. McMillan's Drug Store.

### MULE RAISING PROFITABLE

Mule raising is the best money making proposition in Oregon, says B. F. Swaggart. I have a few fine young Jacks to dispose of and in payment for them I will take mule colts at \$100 each at weaning time. I keep at the East Oregon Jack Farm the stallion, Milwaukee, that won the blue ribbon at the Lewis & Clark Fair. Milwaukee stands at \$25 for the season with privilege of returning. Also six fine Oregon Jacks. It has been fully demonstrated that they excell the eastern Jacks for both size and quality of mules. I insure for \$10.
