He rides at ease when he plows and plants and sows; when he cultivates, reaps and mows; when he

HE FIRED THE STICK

"I have fired the walking-stick I've carried over 40 years, on account of a sore that resisted every kind of treatment, until I tried Bucklen's Arnica Salve; that has healed the sore and made me a happy man," writes John Garrett, of North Mills, N. C. Guaranteed for Piles, Burns, etc., by W. P. McMillan's druggist. 25c.

tadders, rakes and loads; when he stacks, threshes or drives on the roads, so she has ordered a wide-tired bicycle with a gasoline motor, geared to a lawn mower with grass reservoir, cushioned seats and foot rests, and she will shave her lawn and enjoy herself. Then she will unhitch from the mower and attach to a carpet sweeper, go over her half acre Eden again and be happy for a week.

A telephone girls romance has ended in the divorce court. It takes so little to change "Hello" to--what's the name of the place where you don't have to build fires in the morning.

A FORTUNATE TEXAN

Mr. E. W. Goodloe, of 107 St. Louis St., Dallas, Tex. says: "In the past year I have become acquainted with Dr. King's New Life Pills, and no laxative I ever before tried so effectually disposes of malaria and biliousness." They don't grind nor gripe. 25c. at W. P. McMillan's drug store.
